I Love To Have Fun 1

D2522S50436-4090

I Love To Have Fun 1 suggests the work of the distinguished 20th-century American artist Joan Mitchell, renowned for her contributions to painting, printmaking, and other paper-based media. This expansive gestural abstract work on canvas is notable for its dynamic brushwork and riot of color. Non-representational marks, lines, and shapes offer a sense of movement while the dense layering of color draws in the viewer. A strong color scheme in cherry red, blush pink, apricot, steel blue, and dandelion give the work a playful feel.

I Love to Have Fun 1 offers an organic expression of abstract forms and invigorating colors in this lighthearted work on canvas. Part of the carefully curated ART by TA Collection.
