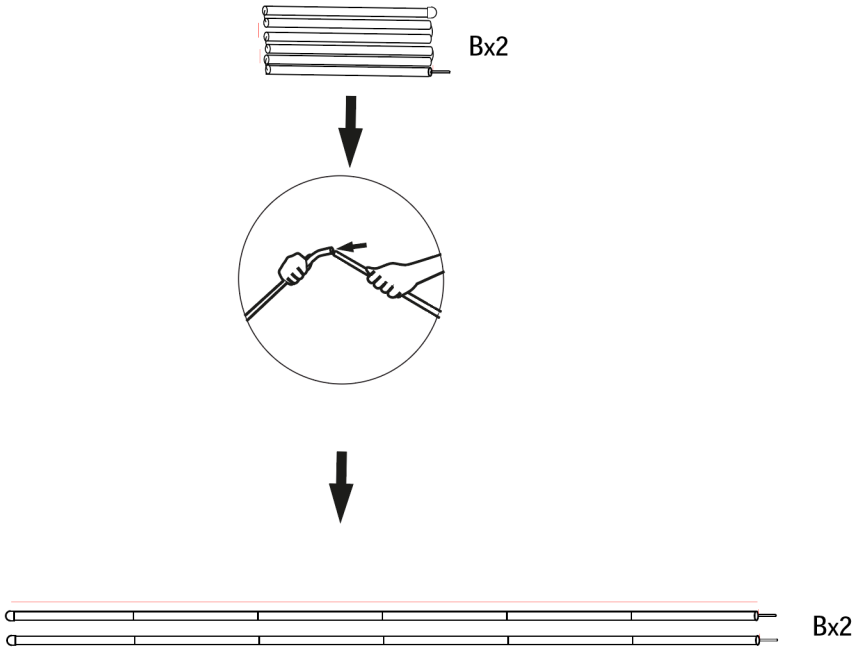
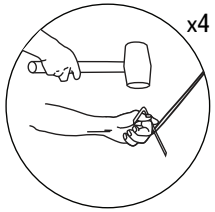
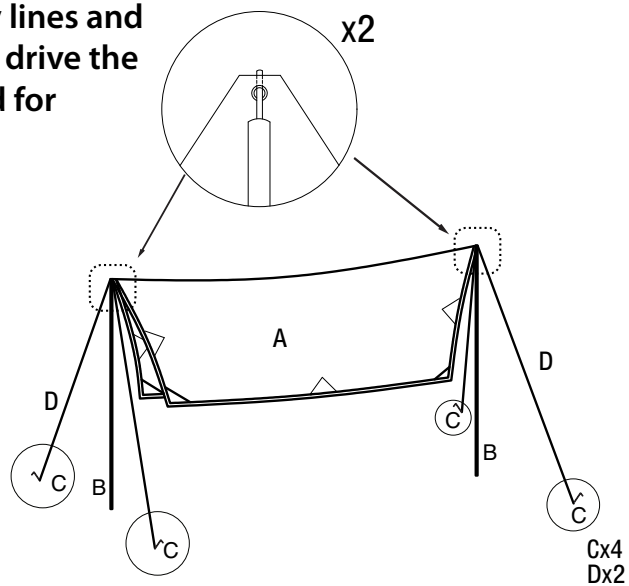
Portable Camping Tarp with Poles

Ax1	Bx2	Cx14	Dx12	Ex1
	 2100 / 82.7			
Step 1: Assemble fiberglass poles. 2 people recommended for set up.



Step 2: Secure the guy lines and use a rubber mallet to drive the stakes into the ground for guy lines B, C & D.





Step 3: Assemble the rest of the guy lines for best maximum support
