Thank you for purchasing our product. Please read the following instructions carefully before assembly. If you have any question, please contact us.

Cautions

1. When opening the package with a sharp tool like a utility knife, be careful not to damage the components inside.

2. Carefully remove all packaging materials and keep them for future use.

3. Keep all hardware parts and packaging out of the reach of small children.

4. Please check whether the packing list is complete. If there are missing or damaged accessories, please contact us.

5. Do not allow children to play with this product.

6. Please make sure that the voltage is 100-120V, which is standard for US. This product can only be used between 100-120V.
Warranty

Make it cozy, make it home. Which is the goal that we have been pursuing. We'd like to provide the best product and service to you. We provide a 12-month warranty for you (Excludes incorrect installation or other man-made damage).

If you have any questions or suggestions, please feel free to contact us

Matching

Make sure the remote control matches well with the lamp :

Plug the adapter to the power supply and use the remote to control the lamp. Usually the remote controls the lamp perfectly.

If the remote control doesn't work for the lamp, please re-match them.

Matching process :

1.Disconnect the power supply for more than 10 seconds.

2.Connect the power supply.

3.Press and hold the On/Off button ⏻ on the remote within 5 seconds.

4.When the light flashes,it matches successfully.

1 Turn switch off

2 Turn switch on
