1 PC

4 PCS

Attach second side panel (03) the same as the first but place the lower shelf (04) in position by aligning the wooden dowels with the holes in the side panel.

Adult Assembly

Apply presure to eliminate any gap between the lower shelf and the side panel and fix in place using wood screw (F).

## Congratulations!

Your chair side table is now ready for use.

To ensure lasting safety, we recommend that you periodically check that all screws are tight and all parts are secure.
