

PENNYROUND TILE

SMOOTH NATURAL

IndoTeak Design's Teak Tile collection offers a range of unique patterns, all crafted from 100% FSC-certified reclaimed Teak. Available in both Smooth and Patina textures, our Tiles combine natural beauty with exceptional durability for any space. Stocked in a natural finish for a timeless look, custom finishes and colors are also available to meet specific design preferences. Suitable for interior application, IndoTeak's Teak Tiles are versatile, moisture-resistant, and durable, making them ideal for floors, walls, and accent installations.

- Sold Per Box 8.9 SF
- Per Box

TEXTURE & FINISH

Our Teak Tiles are available in two textures: Smooth and Patina. Our Patina texture features a rough, raw surface, while the Smooth texture is progressively sanded to a silky finish.

INSTALLATION

Allow five days on-site for acclimation. Ensure substrate is clean, level, and dry. Apply thin-set mortar, place tiles and let mortar dry. Apply epoxy grout. Remove residue grout quickly to protect the finish.
