Double-Sided A-Frame Stepped Tray Shelving Unit

DD-NR136-01

Overall (W x D x H)	48 x 28 x 60 in
Net weight	38 lb
Materials	Steel frame, steel decks
Finish	Matte Black
Horizontal shelves	6
Origin	United States
Assembly	Full Assembly Needed - All Tools Included
Mounting	Freestanding

Shelf and storage dimensions

Tray deck widths are 44 in. Tray depths are 12, 10 and 8 in bottom to top; 10 in is the representative middle depth (all three depths occur equally). Deck-to-deck pitch is 18 in; raised lips are 1.25 in high, leaving 16.75 in clear between paired levels. Shelf positions are fixed.

Included contents

Two A-frame end assemblies, six steel trays, cross-members, end braces, four leveling feet, M6 hardware, hex key and wrench.

Fulfillment and warranty

One carton: 62 L x 16 W x 8 H in; 43 lb gross. Small Parcel. Order and replacement lead time: 48 hours. Consumer warranty: No Warranty. Commercial warranty: No.

Assembly and installation

DD-NR136-01

Tools included: 4 mm hex key, 10 mm open-end wrench.

Additional tools required: None.

Hardware: M6 socket-head bolts, washers, locking nuts and four threaded leveling feet.

1. Join the end-frame sections with the supplied M6 bolts; leave the bolts finger-tight.

2. Fit cross-members and end braces, then bolt six trays in three opposing pairs at 14, 32 and 50 in deck elevations.

3. Tighten all frame and tray bolts with the supplied hex key and wrench. Thread in the four leveling feet.

4. Stand on a firm, level indoor floor. Adjust feet only enough to remove rocking; shelves do not move between levels.

Use and care

Indoor residential storage only. Use a firm, level support surface. Do not climb, sit or stand on the product. Keep children away during assembly. Check fasteners periodically. Empty the rack before moving or reconfiguring it. Wipe with a soft damp cloth and dry promptly. Stored items and display props are not included.
