LUXOR™

Line Leader® Essential

30-Device Charging Cart for Everyday Learning

Line Leader® Essential brings the everyday charging, storage, and organization schools need into a streamlined, ready-to-assemble design. Built as a more affordable alternative to the original Line Leader cart, it reduces design complexity and ships in compact packaging to help lower costs and simplify delivery, without giving up the essential functionality schools rely on to manage shared devices.

Compact Design

30 Device Capacity

2 Surge Protection Power Strips Included

Steel Construction

Line Leader®

Essential

Benefits:

Flexible Device Charging
AC outlets support a wide range of devices and charging wattages.

Straightforward Setup
Fewer parts and screws help make assembly simple and efficient.

Easier, More Affordable Delivery
Compact packaging ships free via UPS, eliminating costly freight shipping.

Key Features:

- 30-Device Capacity
- Two 15-Outlet AC Power Strips
- Built-In Cable-Routing Clips
- Locking Steel Enclosure
- 360° Casters with 2 Locking Brakes
- Assembly Required
