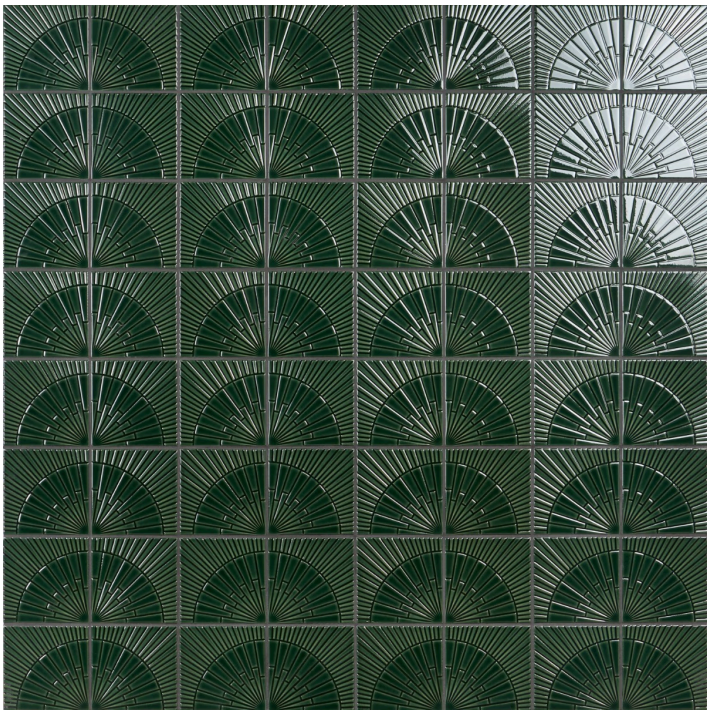
STACY GARCIA RADIUS FOREST GREEN 6X6 3D CRACKLED GLOSSY CERAMIC TILE



Crafted from white-body ceramic in Spain, the Stacy Garcia Radius Forest Green 6x6 3D Crackled Glossy Ceramic Tile has a handcrafted look thanks to its crackled forest green glaze. Designed to form captivating patterns, it's an ideal choice in dry areas like backsplashes or bathroom walls, though it may be used in showers with proper sealing.

RADIUS BY STACY GARCIA

Named for its radial lines and rhythmic pattern options, the Radius collection reimagines art deco style through a modern lens. The repeating starburst pattern is a classic choice—or simply change the tile orientation for symmetrical variations. Each tile's dimensional surface is covered in a lightly crackled glaze for rich tone and texture. This Spanish-made collection is LEED qualifying.
