1. Care and Maintenance

- Use a soft, clean cloth that will not scratch the surface when dusting.

- There's no need to use furniture polish. If you need,test it first in an inconspicuous area. Using solvents of any kind on your furniture may damage the finish. Never use water to clean your furniture as it may cause damage to the finish.

- Liquid spills should be removed immediately. Gently blot the spill with a soft clean cloth to avoid rubbing.

2.Further Advice about the Furniture Care

- It is best to keep your furniture in a climate-controlled environment.

- We recommend to keep furniture from sunlight exposure to avoid possible surface damage.

- Following these important and helpful tips will help retain your furniture's performance even when it ages.

- Periodically (every 90 days) make sure the screws are fully tightenhed.

3.Max Weight Capacity

- 300lbs [Do not stand on the item]
