ITEM NO.#5003 INSTALLATION INSTRUCTIONS

Notice Before Installation:

1. ✕ Not compatible with a dimmer switch. ✔ Please use a regular ON/OFF wall button switch.

2. Contact us if any damaged/ missing parts/ other questions.

(Reply within 6 hours/Free Replacement/Partial Refund)

3. Although the installation is simple, for safety reasons, we recommend having a professional electrician complete the installation.

4.Please scan the QR code to watch the Installation Video.

Specific Steps:

1. 

2. 

3. 
Step 1： Mount the Hanging Plate to the ceiling.

You need some expansion bolts and screws from the parts kit.

Step 2: Connect the Driver of the pendant light to the wires in the ceiling .

Connect the black wire to the live wire (L)

Connect the white wire to the neutral wire (N)

Step 3: Use screws and nuts to fix the chassis.

Installation is much easier with 2 people.
