ASSEMBLY INSTRUCTIONS:

We recommend that two adults work together to assemble this game.

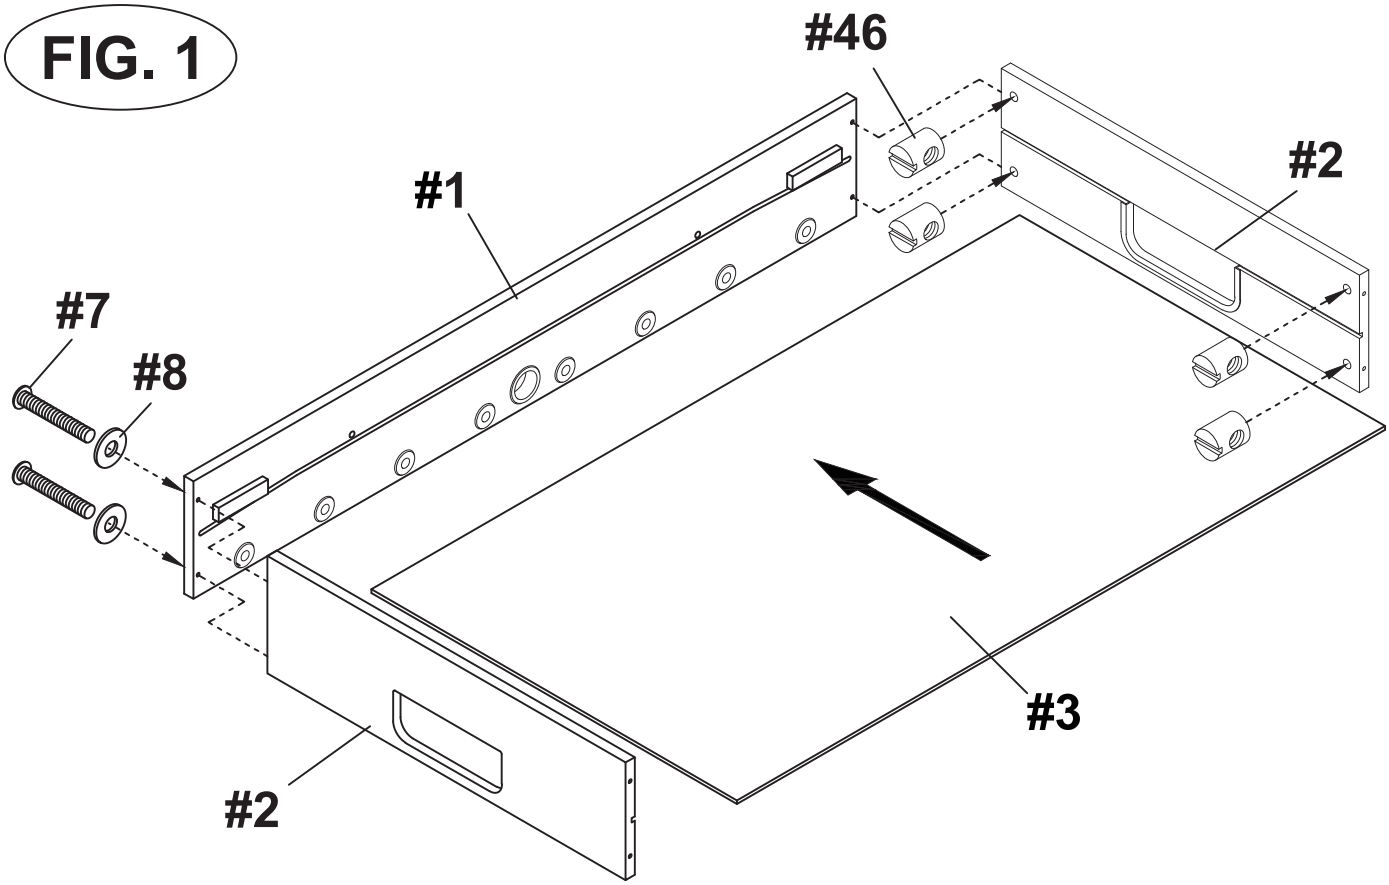
1) Open the carton of your new table game near where you will play. Select a clear level floor. This game requires at least two adults to assemble the table.
2) Remove all the contents from inside the carton and verify that you have all listed parts as shown on the Parts List. We suggest that you use the bottom carton as a clean flat working area to protect the game. Carefully cut or tear the four carton corners so that the bottom is now your work area.

1.Foosball Game Section Installation

Step 1: Installation of foosball desktop.

1. Insert the metal cylindrical nuts **#46** into the hole of the soccer end panels **#2** The same logic applies to #2 and #46 on the other side.
2. Attach one side apron **#1** to the two end aprons **#2** with bolts **#7** and washers **#8**. See **FIG. 1**.
3. Slide the playfield **#3** with playing surface graphics facing down into the slotted of inside of the two end aprons **#2** and a side apron **#1**. See **FIG 1**.

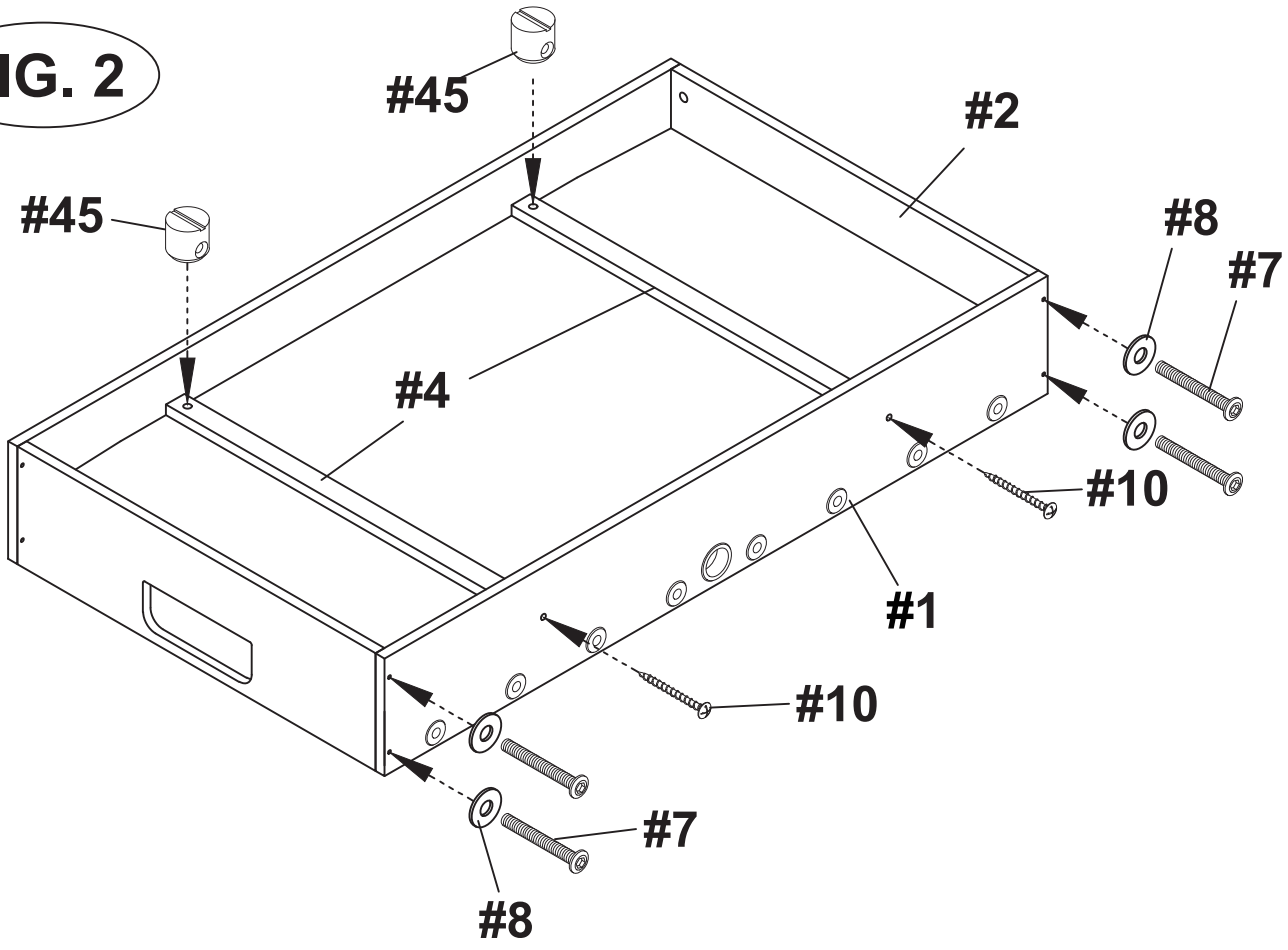
FIG. 1



Step 2: Installation of foosball desktop support braces

4. Attach another side apron **#1** to the two end aprons **#2** with bolts **#7** and washers **#8**. See **FIG. 2**.
5. Insert the plastic cylindrical nuts **#45** into the hole of the support braces **#4.** Assemble the support brace **#4** on the playing field **#3** with screw **#10** . See **FIG. 2**.

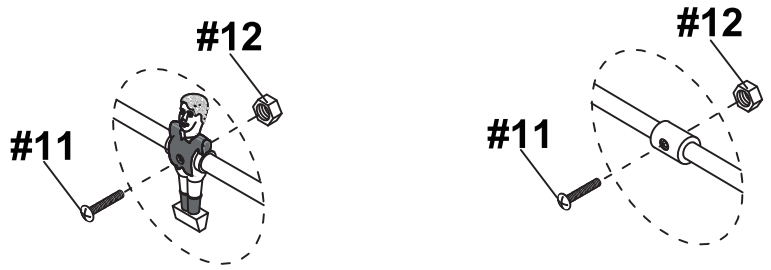
FIG. 2



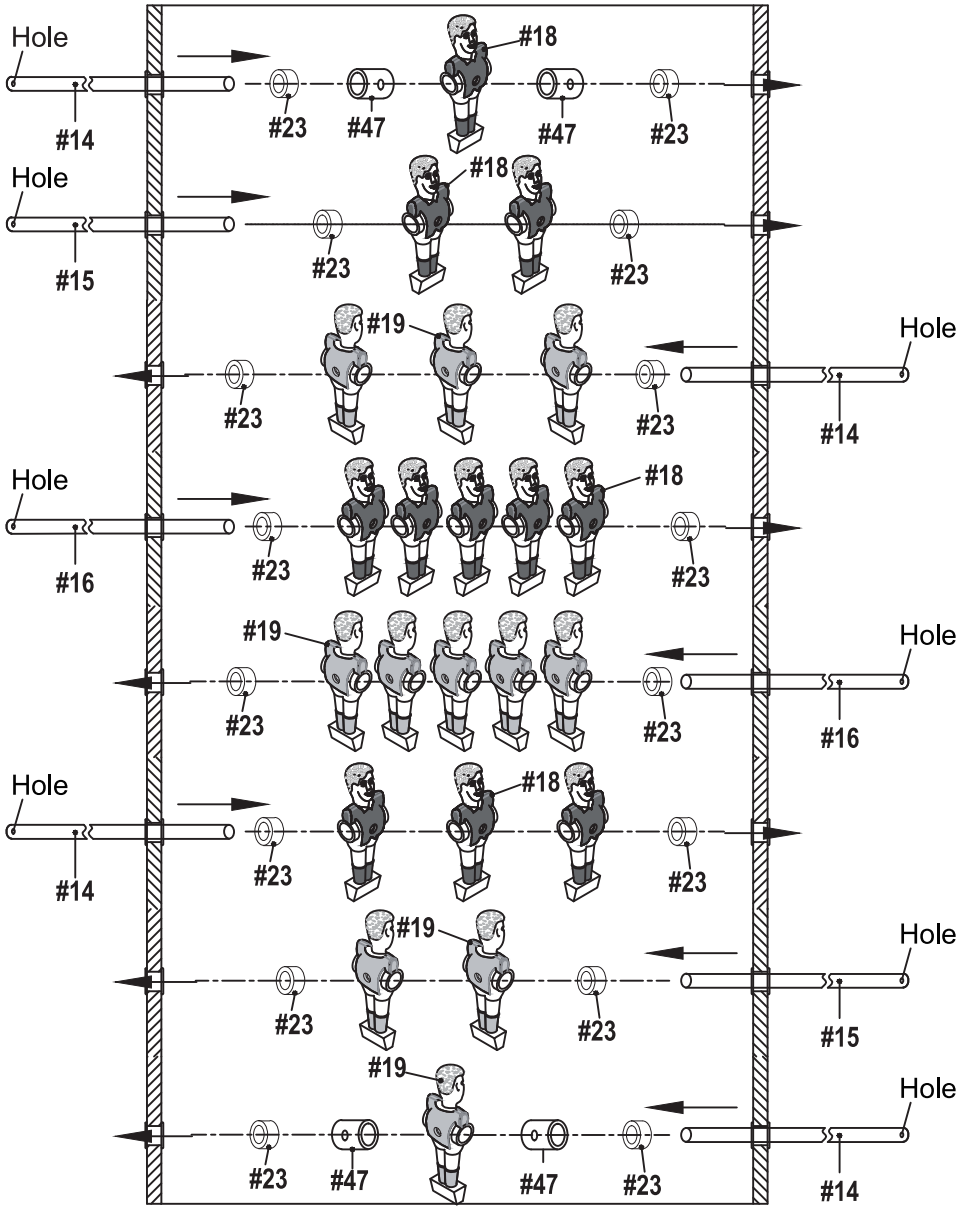
Step 3: Installation of foosball players

6. Insert the player rods **#14**, **#15** & **#16** through one side apron. Then insert stop rings **#47**, players **#18** & **#19**, and rod bumpers **#23** . Refer to **FIG. 3**. Then insert the player rod through the other side apron.
   Note the order and orientation of the components installed on the rod in the diagram. Attach the stop rings **#47** and players **#18** & **#19** with bolts **#11** and nuts **#12** See **FIG. 3**.

FIG. 3



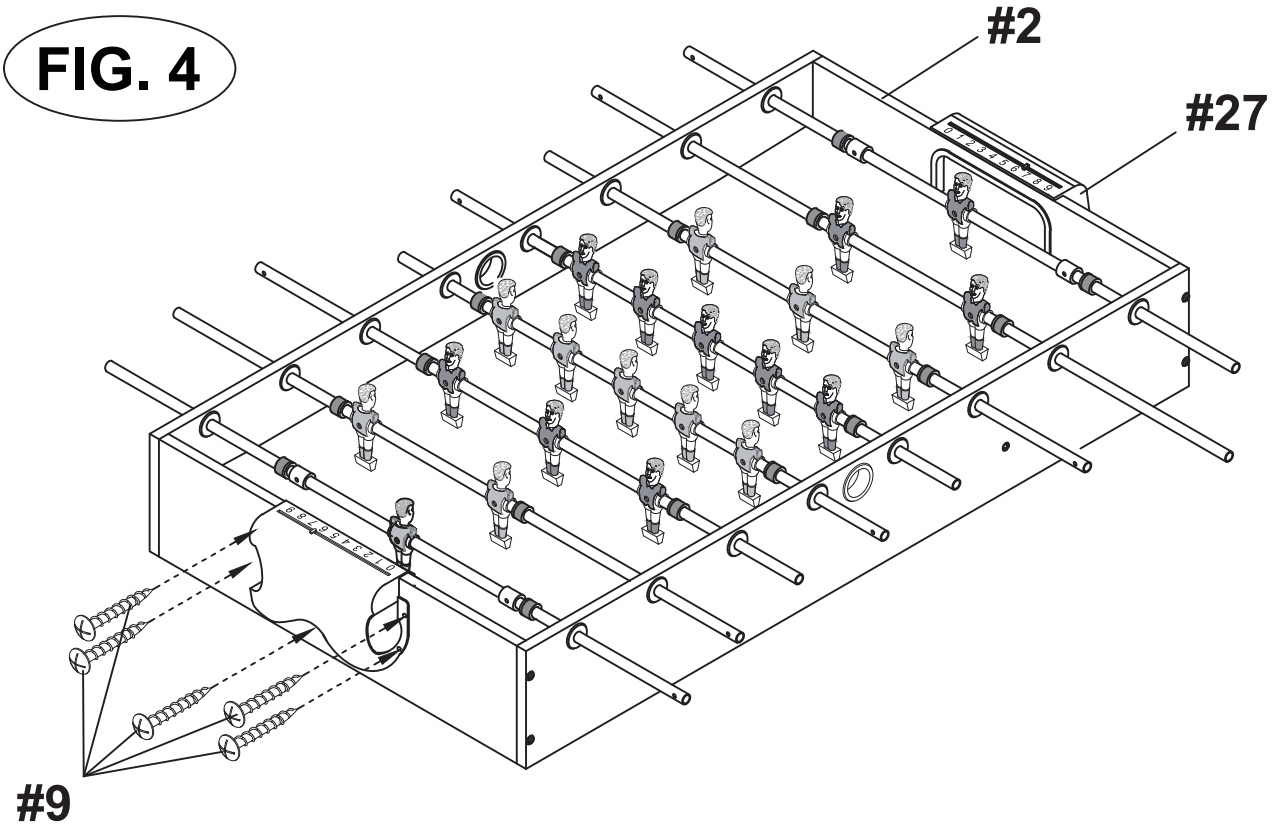
Rod assembly Sequence



Step 4: Attach ball catchers

7. Attach the two ball catchers **#27** to the end aprons **#2** using screws **#9×5**. See **FIG. 4.** The same installation steps apply to the other side.

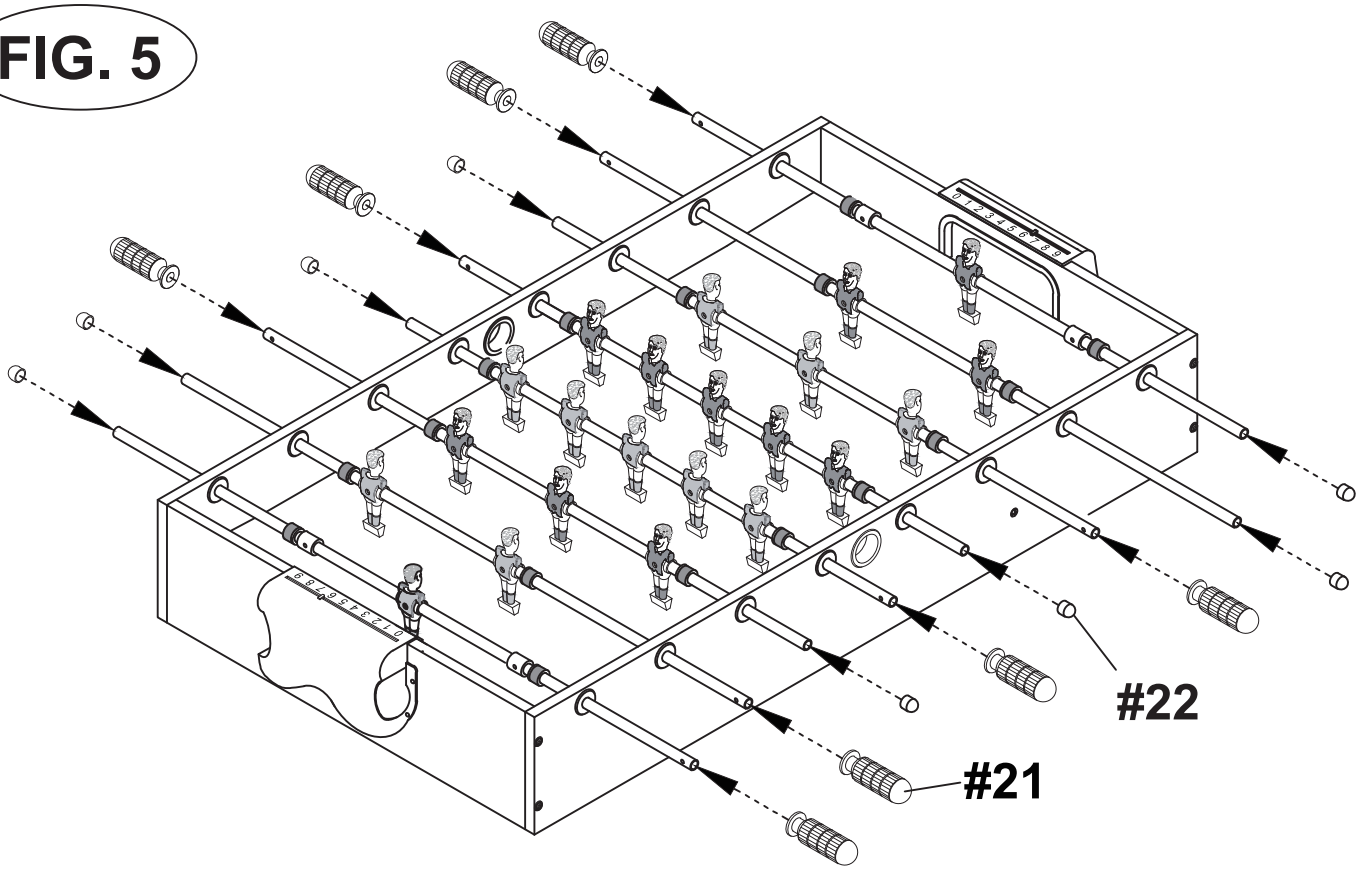
FIG. 4



Step 5: Attach hand grips and end caps o rod

8. Put hand Grips (#21) and end caps (#22) on the player rods in order. NOTE: To make the Handles easier to attach, recommended spray a little window cleaner on the rod ends prior to installation and tap on gently with a hammer. See **FIG. 5.**

FIG. 5

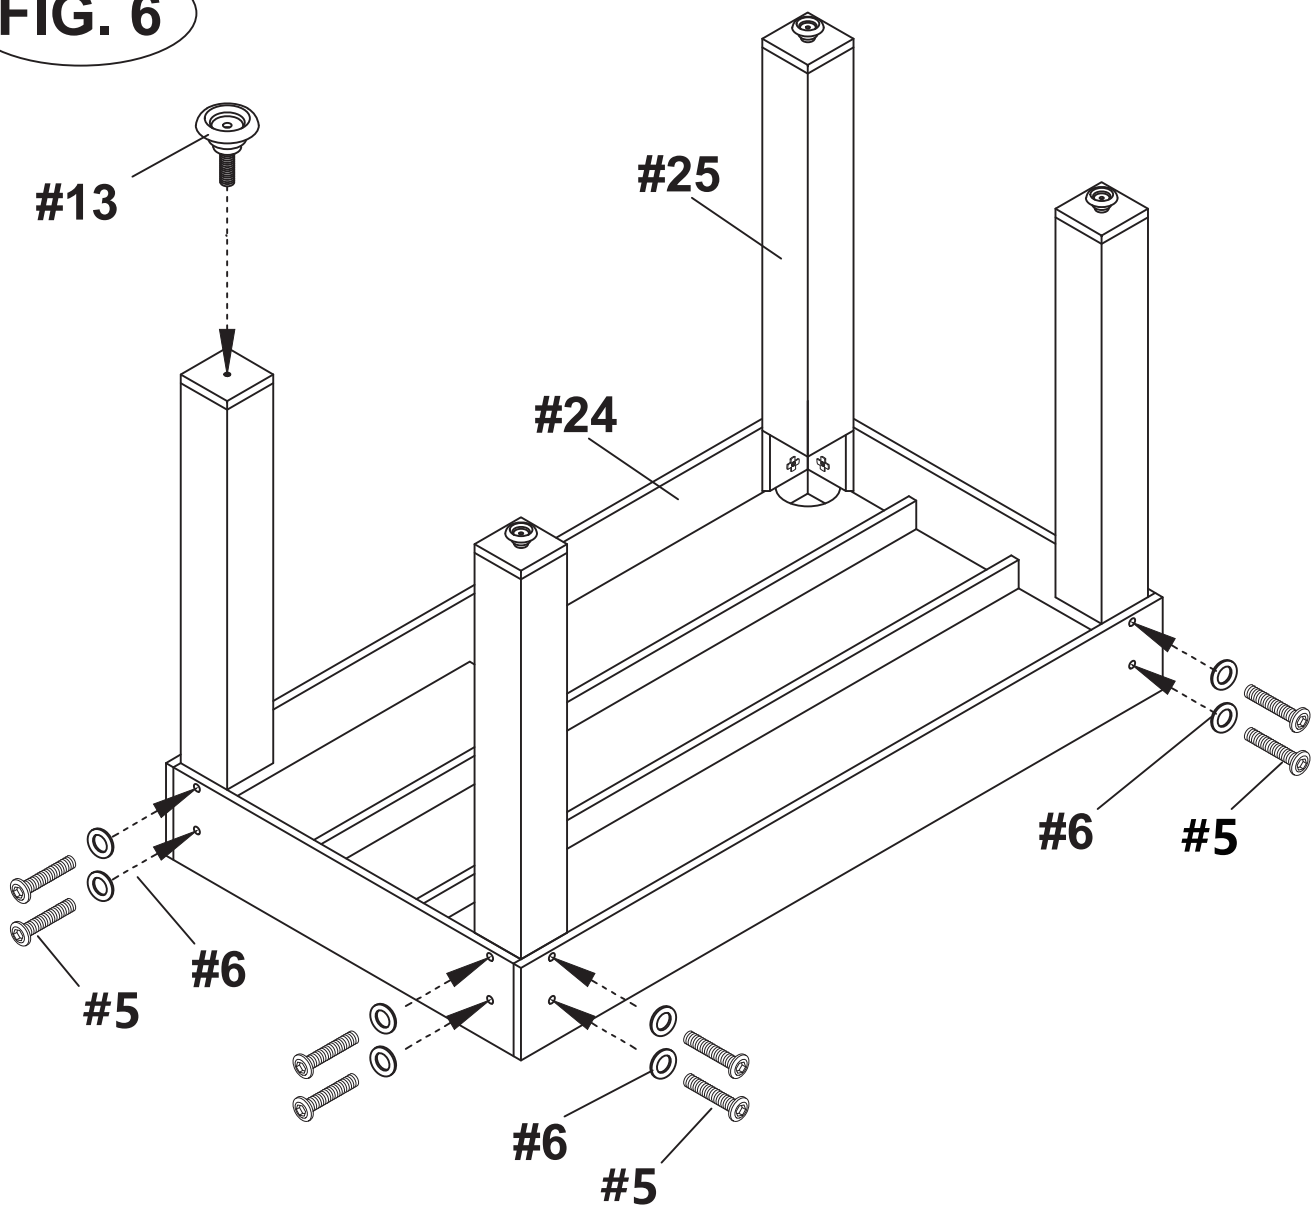


2. Table Support Section Installation

Step 1: Attach 4 table legs

9. Assemble each leg **#25×4** and attach it with bolts **#5** and washers **#6**. Make connections finger tight attach the leg levelers **#13** into bottom of legs. See **FIG. 6**.

FIG. 6



3. How to switch games

Carefully embed the game board you want to play in Cabinet for billiard **#24**.

5. Warranty & Customer Support

If you need help regarding product issues, after-sales service, or other relevant problems, please contact us via the order number.

*Note: Products purchased directly from us will enjoy our after-sales service. If the purchases are made from other selling teams, we recommend you contact them for warranty issues.

6. Q&A

NO.	Question	Answer
1	Accessory issues	1. Please check all the fittings according to the part included (refer to 02) before installation. Due to the logistics there may be some parts hidden in other places 2. If it is really lost, please contact us to be sure to bring the serial number of the parts
2	Desktop imbalance	By adjusting the height and depth of #25 (LEG LEVELER)
3	The holes in the legs won't line up	Checking the orientation of the 4 legs as each foot has a different hole position
4	Can't tighten the screws.	1. Check whether the screw position is perpendicular 2. Check whether the assembly part of the group corresponds to the screw fittings
5	Unable to place play area board in slot	1. Please check the direction of the board and aligned 2. Due to the board is relatively soft, need to slowly adjust to the leveling, is a normal phenomenon
