
Installation Steps:

Step 1: Fix the mounting plate (2) to the junction box with screws (3).
Step 2: Connect the power cable (4) of the lamp body to the external power cable with a wiring cap (1), secure the ground cable (5) with a green ground screw, and then connect the wiring cap (1) to the external ground cable.
Step 3: Fix the straight edge basin (7) to the mounting plate (2) with screws (6).
Step 4: Open the top right of the lampshade (9) and install the bulb (10) (not included) on the lamp holder (8).
Step 5: Turn off the lampshade (9).

Accessories:

Part 2: Mounting Plate*1	
Part 3: Mounting Screw*2	
Part 6: Mounting Screw*2	
Part 1: Wiring cap*3	

Notice: This light fixture should be installed in accordance with all applicable, local installation codes, and by a person familiar with the construction and operation of it, as well as the hazards involved. Inspect items and contents carefully. If any damage or defect is found, do not install it.
