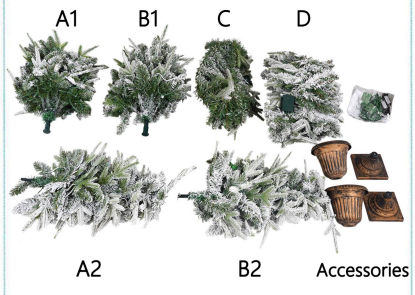
CHRISTMAS TREE INSTALLATION INSTRUCTION

1



2

Assemble the pot and place it on even ground

3

Remove the protective cover

4

Insert section A1 into the base and spread its branches

5

Insert section A2 into section A1 and spread out the branches

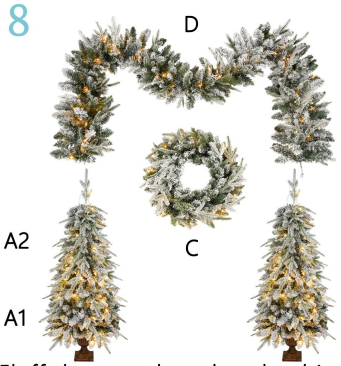
6

Connect the plug

7

Shape the branches. This may require gently pulling them outward & downward as branches can get tangled during shipping.

8



Fluff the wreath and garland in the same manner
