Lion Statue – General Instruction Manual

Product Overview

This lion statue is constructed from durable, weather-resistant magnesium oxide stone composite for long-lasting outdoor use. It delivers a noble, decorative accent for gates, porches, lawns, courtyards and other outdoor spaces.

Applications

Ideal for gates, porches, lawns, courtyards, gardens, patios and outdoor landscapes.

Usage Instructions

Place the statue on a flat, level, and stable surface to prevent tipping. Do not climb, stand, or apply heavy loads on the statue. Avoid sharp impacts that may cause chipping or cracking of the statue surface.

Care & Maintenance

Clean regularly with a soft cloth and mild soap; rinse and dry thoroughly. UV-resistant and waterproof, but prolonged exposure to extreme heavy rain may shorten service life. Store in a dry covered area when not in use for extended periods.
