Craven Tabletop Clock 645401

TABLE CLOCK: The Craven Table Clock is an arched-shaped clock with low-gloss Rosewood Hall finish on select hardwoods and a brass-finished metal base to compliment your home decor. The clock's quartz movement makes a soft ticking noise without the use of chimes for a quieter environment.

DURABLE: This indoor modern clock is created to last. It has a sturdy frame to relieve stress in a busy household. Place it in your kitchen, office, bathroom, bedroom, living room, and more.

HIGH QUALITY: The wooden design is a home essential. Easily tell time with black numerals, a triple brass-tone bezel, and glass crystal to stand out over a white dial.

MOVEMENT: It is powered by a quartz movement and requires one AA sized battery. The felt bottom will protect your desk or tabletop.
