Doncaster Side Table - Black

111739

With a clean and modern composition, the Doncaster Side Table will add minimalist style into any space. Crafted from a black solid oak wood frame with a black oak veneer. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
