Lion Statue – General Instruction Manual

Product Overview

This lion statue is made of premium magnesium oxide stone composite material with sturdy structure, waterproof coating and excellent weather resistance. Adopting antique stone white finish and vivid lion modeling, it is a classic decorative sculpture widely used for outdoor courtyard and landscape decoration.

Applications

Perfect decoration for front door, porch, yard, patio, garden, villa courtyard and other indoor and outdoor landscape scenarios.

Usage Instructions

Place the statue on a flat, level and stable surface to prevent shaking and tipping over.
Do not climb, stand or place heavy objects on the statue to avoid damage.
Avoid strong collision and extrusion to prevent surface chipping and cracking.

Care & Maintenance

Clean the surface regularly with soft cloth and mild detergent, then dry it naturally.
Weather-resistant and UV-protected for long-term outdoor use, keeping stable color and texture.
Store in a dry and ventilated place if it is not used for a long time.
