Please make sure all hardware & packing material fitting the list. Especially some small accessories may be missing during transportation. Please contact us if you have any question.

step 1 ---Cut the plastic air compression bags

Cut the Cushions (B) from the air compression bags as shown. It might take **48** hours to be fully recovered. You may gently slap on them to speed up the process.

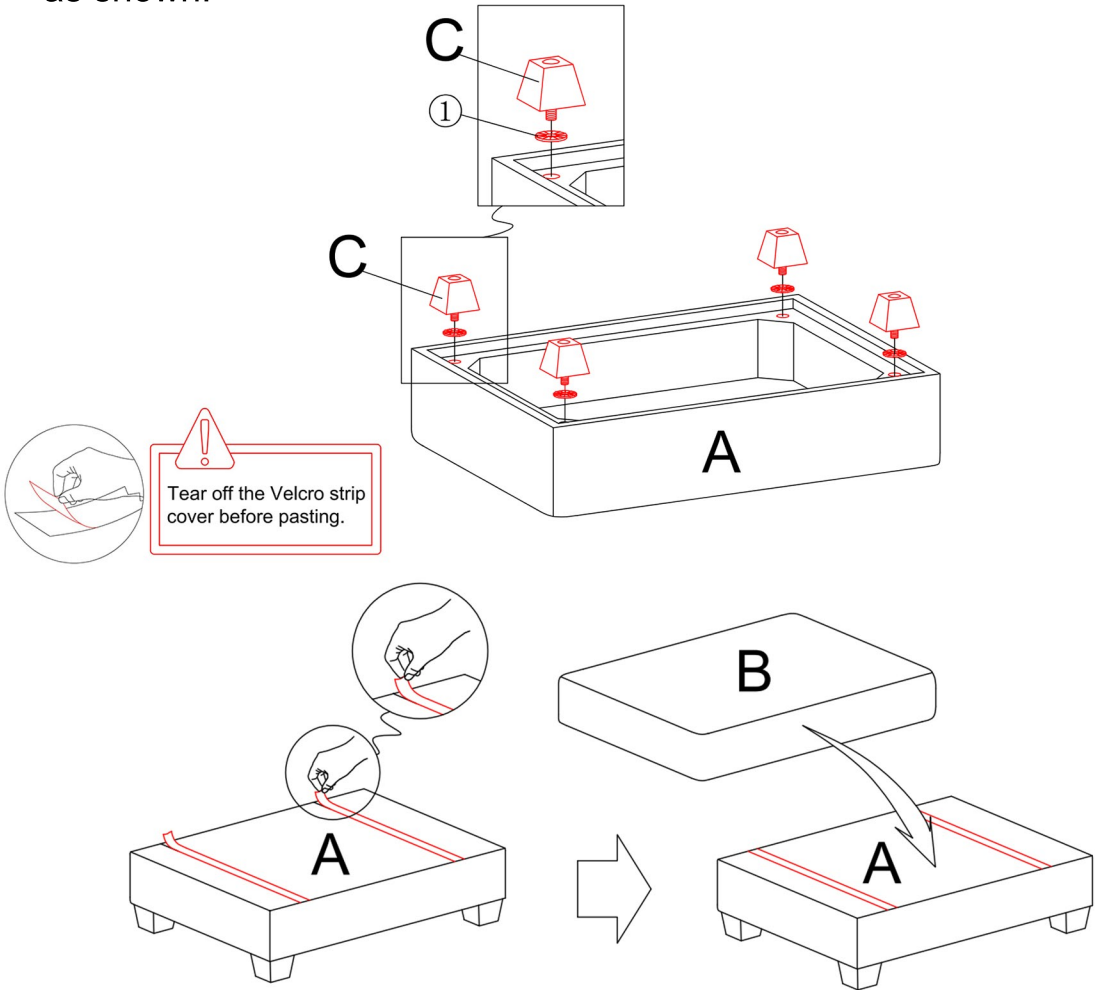

Please exercise caution when opening the packaging to avoid injury or damage to the product.

step 2 --- Twist the sofa legs

Place one plastic washer (1) on the bolt part of the wooden legs (C), then align the legs (C) with the predrilled holes on the bottom of the sofa frame as shown, then twist them in clockwise, make sure they are all fully tightened before next step. Place the Seat cushion (B) onto the Seat frame (A) as shown.

step 3 ---Install the metal buckle

A metal buckle is included inside the carton as a free part. If you have purchased only a single piece of the sofa, this buckle will not be needed.

If you are combining it with other sofa components you can use the buckle to secure two parts together from the bottom, preventing displacement during use.
