Assembly Instructions

PACKAGED	
(A) 1 – Table Top	(C) 1 – Bottom Shelf
(B) 4 – Posts	(D) 4 – Feet

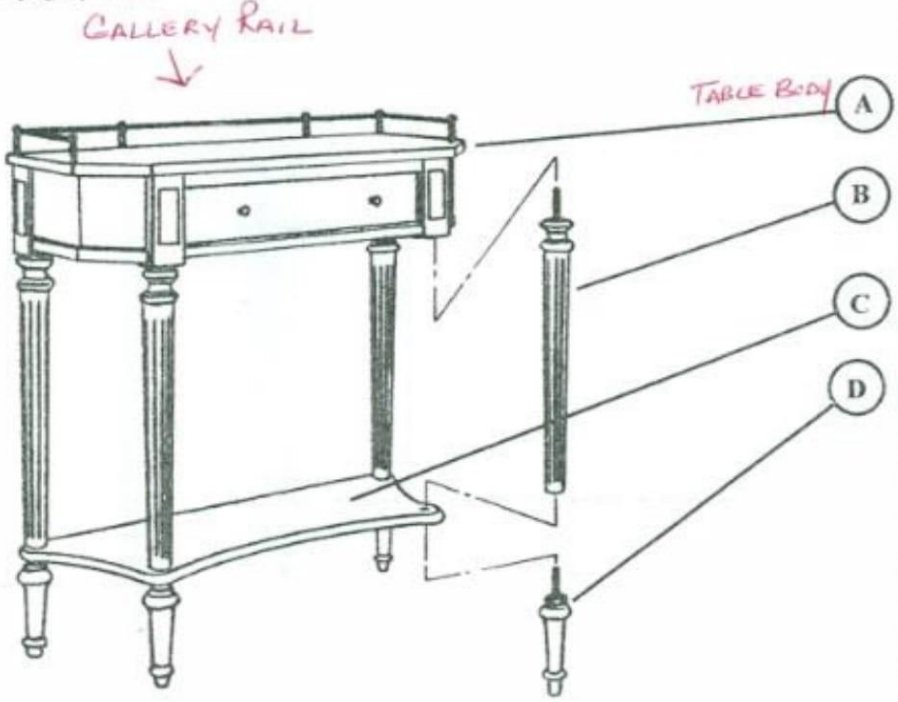
Read all instructions before starting assembly.

Step #1 Remove all the contents from the package checking that all of the components listed in "Packaged" are included. Prepare a flat, protected work surface where the product can be assembled.

Step #2 Carefully lay Table Top (A) upside down exposing the underside being careful not to dislodge any drawers. Also make sure that top railing is protected. Align and match up the protruding hanger bolt of Post (B) with the threaded inserts at any corner on the underside of Table Top (A). Screw in the Post into the threaded insert being careful not to cross thread the connection and securely* tighten the Post into position. Repeat procedure for attaching remaining Posts (B).

Step #3 Carefully place Bottom Shelf (C) (finished side down) onto the four Posts aligning the corner holes of Bottom Shelf (C) to match up with the corresponding threaded inserts of Posts (B). Slip the protruding hanger bolt of Foot (D) through the corner hole of Bottom Shelf (C) until it engages the threaded insert of the Post and loosely tighten the Foot by hand. Repeat procedure for installing the remaining Feet into their respective locations. Securely* tighten all the Feet.

Step #4 Place assembled Table into upright position.



(*) Caution: DO NOT OVERTIGHTEN.
