Thank you for purchasing products. Your choice of solid wood furniture assures you of natural beauty and durability for years to come. In a throw-away world, real wood products support the prudent use of our forest resources by investing them in products of enduring usefulness and value.

1. Place the top assembly up side down on a soft surface and then take out the drawer.
2. Align the pre-threaded holes in the legs with the pre-drilled holes in the corner blocks on the aprons and secure in place with the Long Allen Head screws(A), Flat washers(B) and Lock washers(C) using the Allen Head wrench(D).
3. Attach the shelf to the side panel by the short Allen Head Screws(E), Flat Washers(B) and Lock Washers (C) using the Allen Head Wrench(D).
4. Set the assembled table upright, and then attach the corbels to the side panel.
