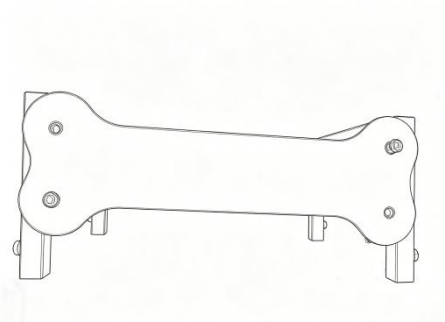
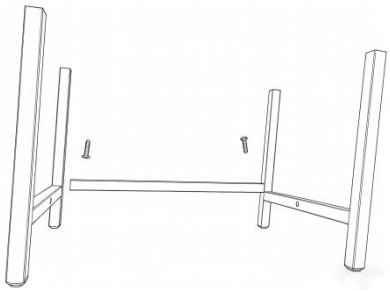
If you have any question about assembly, use or possible missing part, please contact us and we will be glad to assist you.

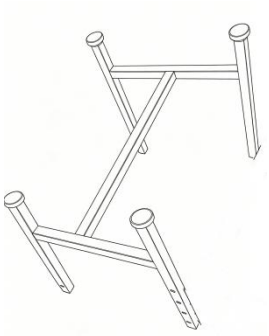
How to Assemble



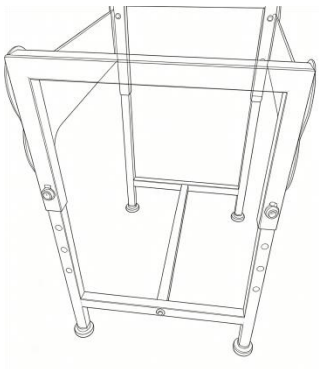
1. **Attach the Bone Frame Bracket to the U-Frame Bracket:** Secure the brackets to the main plate using the provided short screws.



2. **Attach the Straight Tube to the H-Frame Bracket:** Secure the tube to the H-Frame bracket using the provided long screws.



3. **Attach the Anti-Slip Feet to the H-Frame Bracket:** Secure the anti-slip feet to the bottom of the H-Frame bracket.



4. **Attach the U Frame Bracket to the H-Frame Bracket:** Secure the U Frame Bracket to the H-Frame bracket using the provided long screws. Adjust the height as needed to fit your pet.

5. **Adjust the Balance and Place the Stainless Steel Bowl:** Level the stand, tighten all screws securely, then place the stainless steel bowl into the bracket.
