

Safety Instructions:

- * These instructions are provided for your safety. It is very important that they are read completely before beginning the installation of your fixture.
- * If any special control devices are used with this fixture, follow the instructions carefully to assure full compliance with N.E.C. requirements. If you have questions, contact us.
- * WE STRONGLY RECOMMEND INSTALLATION BY A LICENSED ELECTRICIAN.

Assembly Instructions:

- * Shut off the main electrical supply from the main fuse box/circuit breaker.
 - * Remove all parts from carton, and remove all packing material. Do not throw away any parts.
1. Carefully pull the wiring from the outlet box. Lift fixture to ceiling and make electrical connections. Attach hot wire (brown) and neutral wire (blue) coming out from transformer to hot wire and neutral wire from outlet box. #①
 2. Affix lamp body to ceiling with tapping screws provided. Tapping screws thread through the yellow points and affix to ceiling. #②
 3. Bend acrylic plate slightly and gently with both hands and place them in the lamp body.
 4. Reconnect electrical supply at fuse box/circuit breaker and test fixture.
- * To clean, wipe surfaces with a soft cloth. Do not use chemical or abrasive cleaners.
