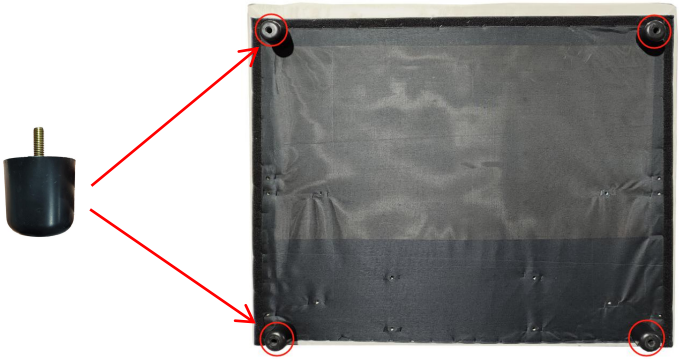
1

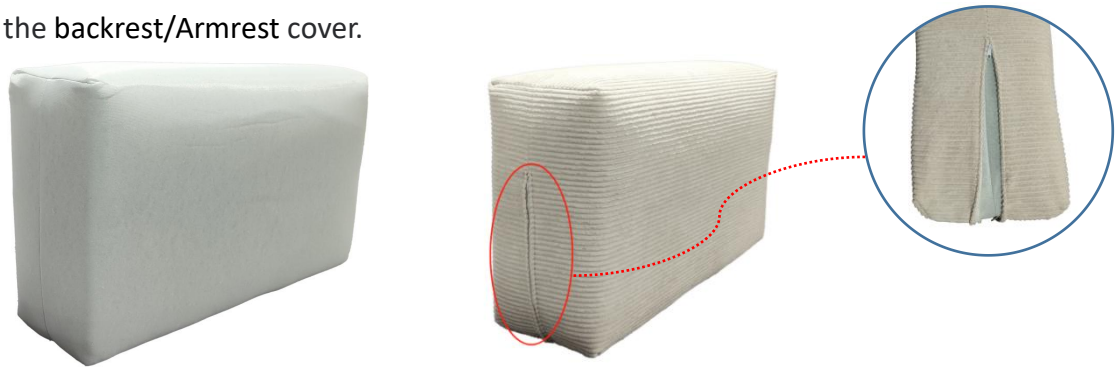


Secure the legs of the sofa.

2 Put on the seat cover.

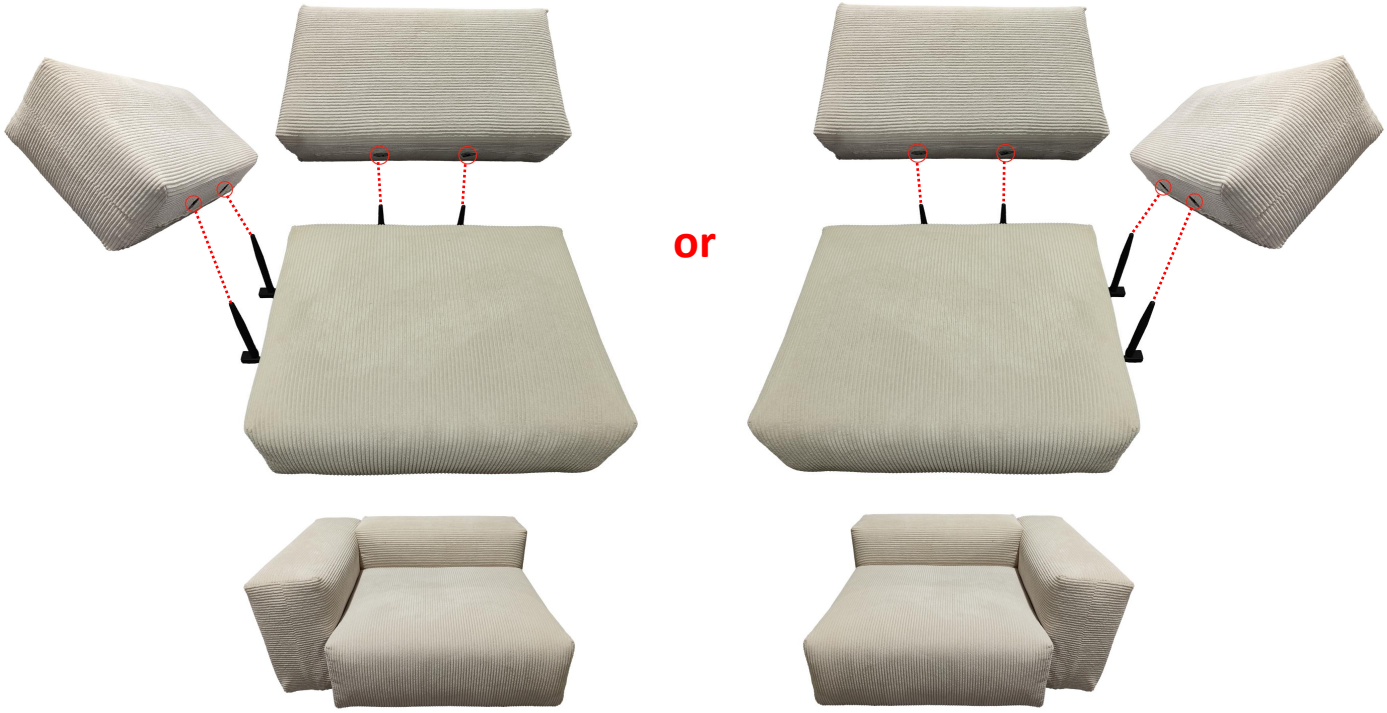
Be careful to loosen the zipper first, and close the zipper after the sofa cover is properly put on.The zipper end of the slipcover corresponds to the magic-cloth end of the seat cushion.

3 Put on the backrest/Armrest cover.



4 Install the support rod according to the reserved screw holes as shown.

5 Note that the zipped side of the armrest faces the backrest.



6 Apply the connection buckles to connect the seats together(or not, it’s totally up to users).
