Gold Lion Statue – General Instruction Manual

Product Overview

This lion statue is constructed from durable, weather-resistant magnesium oxide stone composite for long-lasting outdoor use. It serves as a stately decorative guardian sculpture to elevate your porch, yard and garden landscape.

Specifications

- Assembled Length: 11.60 in
- Assembled Width: 15.00 in
- Assembled Height: 24.00 in
- Product Weight: 16.50 lbs

Applications

Ideal for front door entrances, gates, lawns, patios, courtyards, villa yards and indoor grand entryway decoration.

Usage Instructions

Place the lion statue on a flat, level, and stable surface to prevent tipping. Do not climb, lean heavily or place heavy objects on top of the statue. Do not apply strong corrosive cleaners to the statue surface.

Care & Maintenance

Clean regularly with a soft cloth and mild soap; rinse and dry thoroughly. Avoid prolonged exposure to extreme heavy rain, direct strong sunlight for extended periods to prevent fading or material degradation. Store in a dry covered area when not in use for long periods.
