

STICKLEY®

Surrey Hills Trellis End Table

Crafted of quartersawn white oak, the Surrey Hills Trellis End Table has a top surface of vegan leather that reinforces the collection's natural feel. The leather waterfalls down the sides, ending at open fretwork panels with laser-cut vines. Storage is available in a side-hung, center-guided drawer with a satin brass knob, and on a low gallery shelf with a raised edge. Mitered joints and low brass ferrules complete the clean composition.
