ASSEMBLY INSTRUCTIONS:

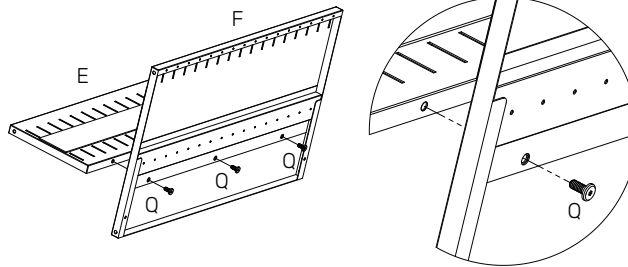

1

Attach two Locking Stem Casters (C) and two Stem Casters (D) as shown to Left Cart Frame (A) and Right Cart Frame (B) using Cap Nut (O) and Split Washer (P).

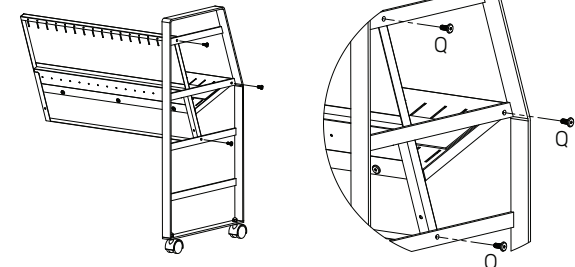

2

Construct a Shelf Assembly by connecting the Lower Shelf Panel (E) and the Rear Shelf Panel (F) using three Large Frame Screws (Q).

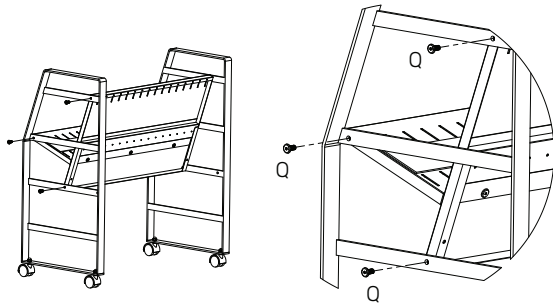

3

Attach the Left Cart Frame (A) to the Shelf Assembly using three Frame Screws (Q).

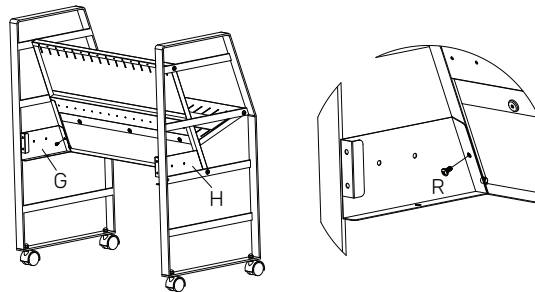

4

Attach the Right Cart Frame (B) to the Shelf Assembly using three Large Frame Screws (Q).

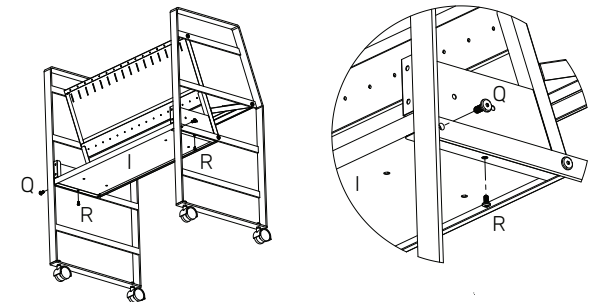

5

Attach the Left Panel Gusset (G) and the Right Panel Gusset (H) as shown using two Small Frame Screws (R).

6

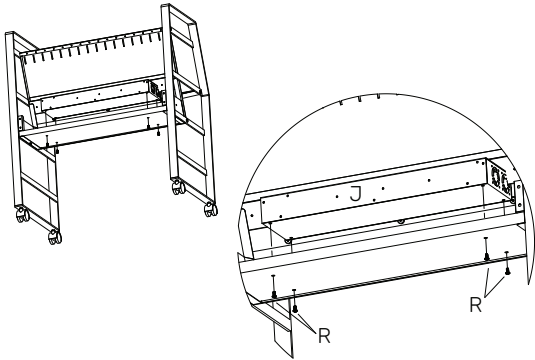

Attach the Lower Tray Panel (I) behind the Shelf Assembly using two Large Frame Screws (Q) and two Small Frame Screws (R).

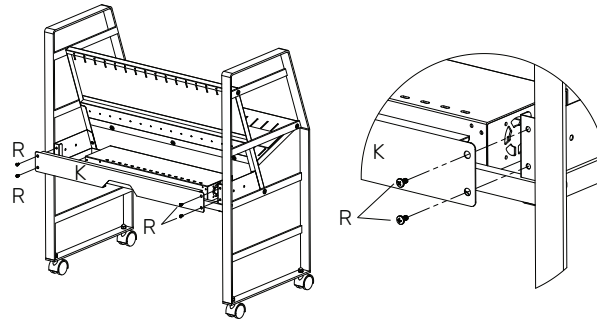

CHMC005: 16-Bay USB-C Open Charging Cart Assembly Instructions

ASSEMBLY INSTRUCTIONS:

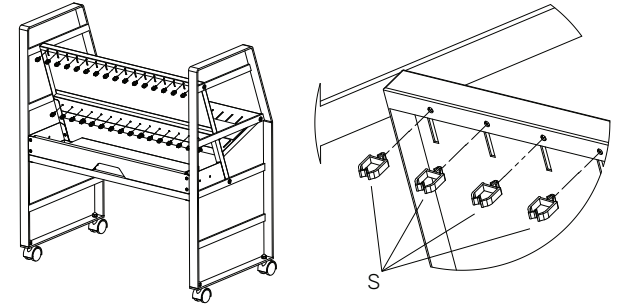

- 7** Attach the USB-C Power Strip (J) to the Lower Tray Panel (I) as shown using four Small Frame Screws (R).

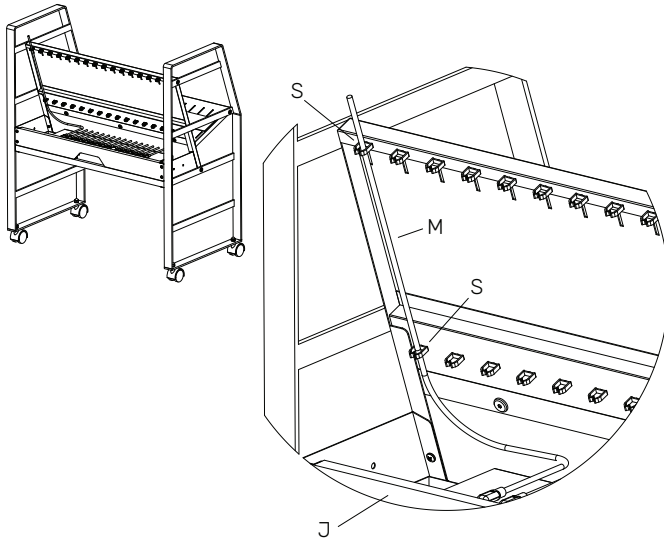

- 8** Attach the Tray Front Panel (K) using four Small Frame Screws (R).

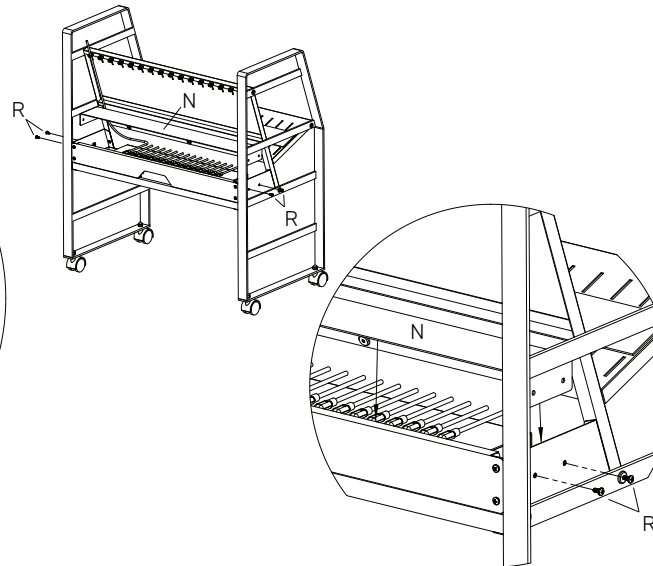

- 9** Insert 32 Cable Clips (S) into the holes on the back of the Rear Shelf Panel (F) as shown.

- 10** Insert a USB-C Charging Cable (M) into the far left port on the USB-C Power Strip (J). Route the cable through the left set of Cable Clips (S). Repeat the process for the remaining 15 USBC Cables (M).

- 11** Attach the Security Bracket (N) as shown using four Small Frame Screws (R).

- 12** Insert 17 Device Dividers (L) into the slots on the Shelf Assembly as shown.
