Leto 6 Towel Warmer in Chrome 39 x 24

INSTALLATION

- Decide on wall positional placement.
- Prepare & install wall hooks measured to distance between towel warmer's anchors.
- Match & attach 3 electrical wires from towel warmer to home electrical wires: Live to Live, Ground to Ground, Neutral to Neutral.
- Hang and affix to wall.

CARE & SAFETY

- Wear suitable eye wear protection when drilling. Use caution when using power tools near water, beware of hidden cables or pipes.
- Be cautious if drilling on tiled surfaces in case the drill slips. Applying a piece of masking tape on the wall before marking out fixing holes can help stopping the drill from moving.

CLEANING & MAINTENANCE

- It is recommended to clean the unit with a soft, dry, non-abrasive cloth when turned off.
- Never use cleaning agents or abrasive material on any type of surface finish.
