Product Description: Combining a French flair with a chic stylishness, the Archivist Host Chair has alluring designer details like softly-shaped wings delicately trimmed in wood, tack trim around the comfortable upholstered seat and back and curvy wood legs finished in a pecan-colored soft rustic finish. This easily movable chair is perfect for the dining table, or in pairs in the family room, bedroom or office.

Collection Features: This great series of side and arm chairs, available in leg or skirted styles, provides a wealth of opportunities for mix and match eclectic decorating.

Status: Active

Finish: A soft casual finish over Pecky Pecan gives a rustic, character-filled and authentic look. Distressing includes rock, worm holes and chisel.

Features: Fabric seat and back
Wood trim

Archivist finish
Material: Fabric

Finish Construction: Hooker Furniture utilizes a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes feel as good as they look, with a smoothness that is delightful to the touch.

Frame Construction: Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.
