Incandescent

Our features a reproduction gas lantern inspiration. The five-light linear chandelier in a Stainless Steel finish complements the natural polished material. This fixture is ideal for Vintage Bulbs (sold separately), providing character and visual appeal to the form. Ideal for Coastal, Farmhouse and Urban Industrial architecture design styles. Perfect for interior or exterior applications.

- The minimalist, angular form of this collection gets its inspiration from historic gas lanterns
- Mechanical details such as exaggerated knobs and enlarged riveting refer back to the five-light island's industrial-age predecessors
- Ideal for a kitchen island or in the dining room over a modern or farmhouse dining table
- A perfect complement to Modern Farmhouse and Urban Industrial interiors
- Unfussy Stainless Steel finish
- Measures 38in W x 9 3/4in ht. x 8 1/2inD
- Uses five 60-watt max. medium base bulbs including LED equivalent (sold separately), vintage style bulbs recommended
- Compatible with standard wall dimmer
- Our products are designed for exceptional quality, reliability, and functionality
- Includes installation instructions and mounting hardware
- Coordinating fixtures available
