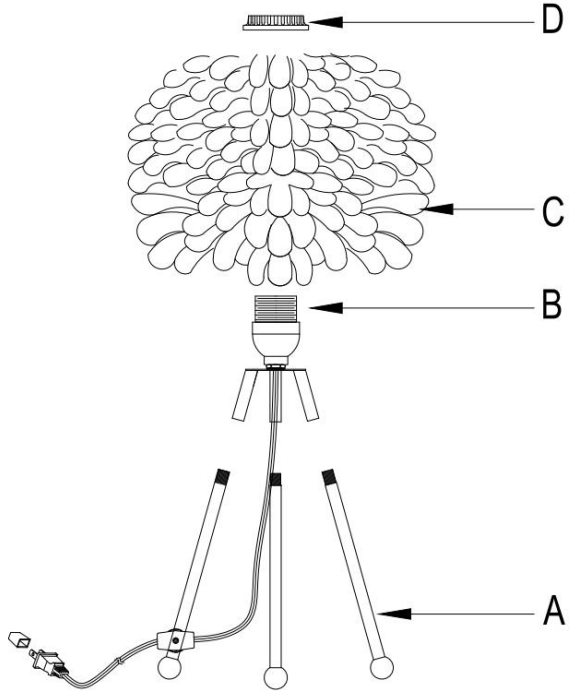
Assembly & Installation Instructions

Dear Customer:
Thank you for your business!
If you have any question or problem, please contact us. We will do everything possible to make you completely satisfied with your purchase. Product reviews help future customers to make their purchase decision. You are encouraged to share your experience by leaving a short product review on the platform where you bought this product.
Thank you!

Warning: If any special control devices are used with this fixture, follow the instructions carefully to assure full compliance with N.E.C. requirements. If there are any questions, contact a qualified electric contractor.
Warning: California Residents Proposition 65
This product contains lead, a chemical known to the state of California to cause cancer and birth defects or other reproductive harm. Do not place the product in your mouth. Wash your hands after handling this product.
Caution: It is highly recommended to get an electrician to install this light. Please make sure to turn the electricity off at the main circuit breaker before beginning installation. All glass is fragile. Use care when handling glass component(s) and/or lamp(s).



1.Unpack all parts from cartons carefully.
2.Carefully pull-out excess power cord from the lamp base while assembling to prevent the cord from becoming twisted.
3.Tighten the tubes(A)into the lamp socket(B)until tight.
4.Place the shade(C)onto the lamp socket(B).
5.Tighten the locking ring(D)into the lamp socket(B)until tight.

WIRE CONNECTION DIAGRAM
