Sydney Leather Sofa With Brass Caster

Item #:LL5100-33B

DESCRIPTION	The Sydney series reflects a contemporary view of the Blaire silhouette. The classic English Arm, with its elegant tailoring, is paired with a tight back and skirtless base, offering a decidedly updated look. Note how the curve of the base rail on the end flows with the line of the English Arm above. In similar fashion, the top back rail above each of the three seat cushions on the sofa features a gentle arch in the back. Metal ferrules and casters are offered in your choice of aged brass (B) or pewter (P). The exposed wood leg also allows for customization, with over forty finishes from which to choose. This series is available in both fabric and leather.
