Omega Plus and Omega Supreme Plus Series Limited Warranty: To the original user purchasing these stated models, Atrix warrants that the vacuums will be free of defects in material and manufacture for a period of three (3) years from the date of purchase. Should any failure to conform to this warranty appear within this period, Atrix will, at its option, repair or replace the defective product. When using the standard Atrix filter for removing toner, developer, dirt, dust and other NON-hazardous waste, the vacuum can be serviced. It is the user's responsibility to return the product, freight prepaid, to Atrix International. When using the Atrix HEPA or ULPA filter for removing lead or other hazardous waste, the vacuum CANNOT be serviced. Field replacement parts will be made available to the user for the duration of the warranty period. These remedies are the user's exclusive remedies for breach of this warranty.

Exclusions to warranty coverage: The above warranty will not apply to any special configurations or to any units that have been modified, or damaged by negligence, misuse, accident or failure to follow Atrix's Instruction Manual. Consumable supplies, such as filters, accessories, and motor brushes are not covered by this warranty.
