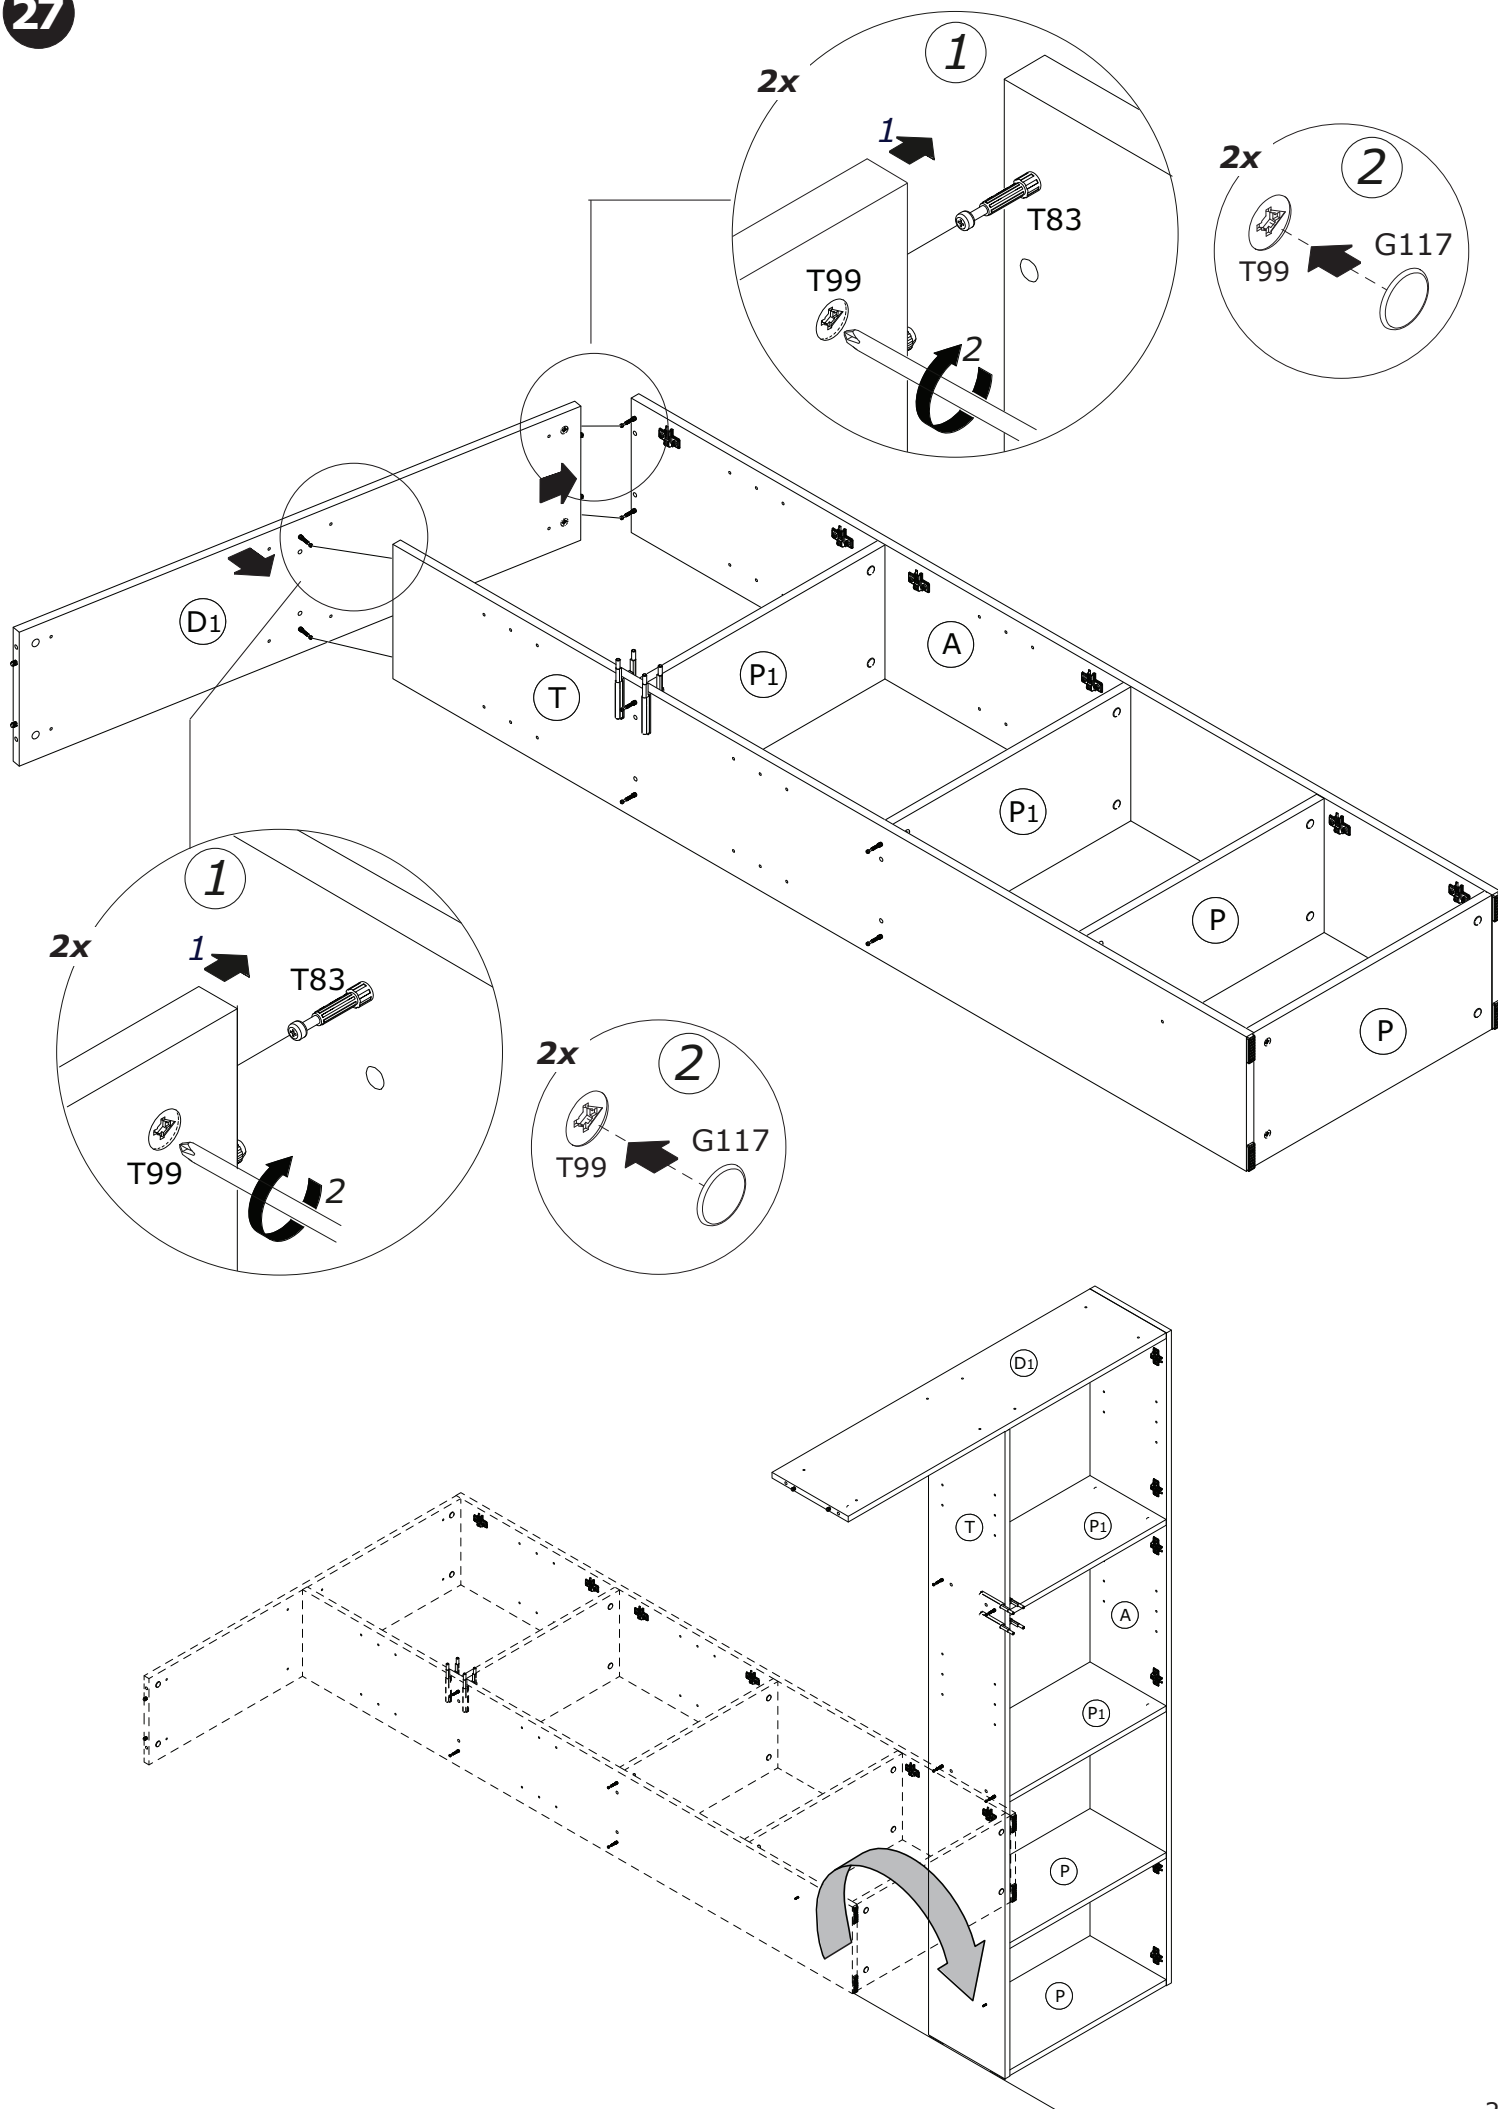

Diagram illustrating the assembly of a shelf (R) into a cabinet frame. The shelf is shown being inserted into the frame, which includes side panels (C2), shelf supports (L1), a divider (F), and a front panel (Z1). The shelf is secured by screws (T83) and a screw (T97) is used to secure the front panel. The diagram includes a detailed view of the shelf being inserted into the frame and a close-up of the screw installation process.
