ASSEMBLY INSTRUCTION

Disclaimer

To Valued Customers:

Thank you for purchasing furniture products from our store. To ensure your safety and the best user experience, please read and understand all the contents of this notice carefully before installation and use. Once you start installing or using this product, it is deemed that you have accepted all the following terms.

I. Regarding Installation

- **Professional Installation Recommendation:** For large, modular, or wall-mounted furniture, we strongly recommend that you hire qualified professionals for installation. Self-installation may involve risks.
- **Self-Installation Liability:** If you choose to install the product yourself, it means that you confirm you have the corresponding installation capability and voluntarily assume all risks and responsibilities arising from improper installation, including personal injury and property damage. Improper installation includes, but is not limited to, damage to product components due to ignoring installation instructions during the installation process, loose, missing, or wrong installation of connectors, and obvious instability such as tilting and shaking due to improper placement after installation.
- **Follow Official Instructions:** Installation must strictly follow the steps in the Installation Manual and diagrams provided with the product. Do not rely on any installation guidance from unofficial channels. Our company shall not be responsible for any problems caused by failure to follow official instructions.
- **Safe Installation Environment:** Please carry out the installation in a spacious, bright, and well-ventilated environment and use appropriate tools. During installation, please keep children and pets away from the work area to prevent accidental ingestion of small parts or accidental injuries.

II. Regarding Usage

- **Weight Capacity Limit:** Please strictly comply with the maximum weight capacity limit indicated on the product. Overloading may cause structural damage, deformation, or overturning of the furniture, leading to serious accidents. Our company shall not be responsible for any consequences arising therefrom.

- **Wall Mounting (Mandatory Requirement):** To prevent furniture overturning accidents, especially when there are children at home, you must use the anti-tip devices provided in the product package to permanently connect and fix the furniture to a solid wall. If the fixing devices are damaged or substandard, please contact us immediately through the purchasing platform to obtain replacement parts.
- **Special Warning:** The fixing method must fully comply with the requirements in the manual. Failure to fix as required may cause the furniture to overturn, resulting in serious injury or death. Our company shall not be responsible for any furniture overturning and all conse quences caused by failure to perform wall mounting or improper fixing.
- **Regular Inspection and Maintenance:** It is recommended that you regularly (especially in the early stage of installation and after moving) inspect and tighten all connectors (screws, bolts, etc.) to ensure the structural stability of the furniture (see the maintenance method in the manual for details). Problems caused by neglect of inspection and maintenance are not covered by the warranty.
- **Proper Use and Placement:**

  Place the furniture on a flat and solid floor.

  Do not use the furniture for purposes other than its designed use (for example, standing on drawers or shelves, using a chair as a ladder, etc.).

  Do not place heavy objects such as televisions or items that attract children on the upper part of the furniture.

  Avoid placing the furniture in humid, sun-exposed, or extreme temperature environments to avoid affecting the product's service life or structural stability.

III. Liability Limitation

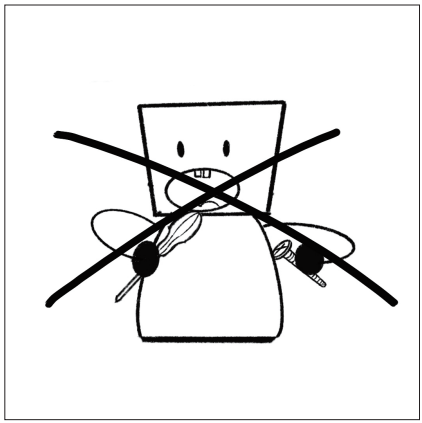

Our company provides warranty services for product quality in compli ance with platform policies and relevant regulations. However, our company shall not be legally responsible for any direct or indirect personal injury, property damage, and other incidental losses caused by the following reasons:

- Failure to comply with the requirements of this notice, the official Installation Manual , or product labels;
- Misuse, abuse, negligence, or unauthorized repair or modification without our company's authorization;
- Improper installation (whether carried out by the user or a third party not designated by our company);
- Force majeure events.

Safety first, prevention is better than cure. We wish you a pleasant use!

DO NOT CLIMB OR HANG

DO NOT PLAY WITH OR SWALLOW SMALL PARTS

(1) DO NOT stand or jump on the chair.

(2) Children should use this product with adult supervision.

Weight Capacity:

–**Do not** place items exceeding the maximum weight capacity of the product. (For the product's weight capacity, please refer to the product link.)

Usage Scenarios and Maintenance Methods

- **Do not** place the product in a humid environment.
- Avoid direct exposure to high temperatures and keep it away from heat sources.
- Clean and maintain the product regularly.
- Place it on a flat surface. When moving is required, ensure that at least two people lift it together.
- Check the condition of screws regularly. If any screws are loose or fall off, reinforce them promptly.

Chair products

Preparation before Installation

–Please read the assembly instructions carefully before installation and keep this manual for future reference. Check that all components are complete, including panels, hardware fittings, screws, plastic parts and other small components.
Ensure that **only adults** perform the installation, and keep children away from the installation area.

Instructions for Use

(1) Avoid prolonged exposure to direct sunlight or humid environments to prevent fading, aging, or mildew.
(2) **Even force application:** Avoid prolonged heavy pressure on a single point during use to extend the service life.

Notes

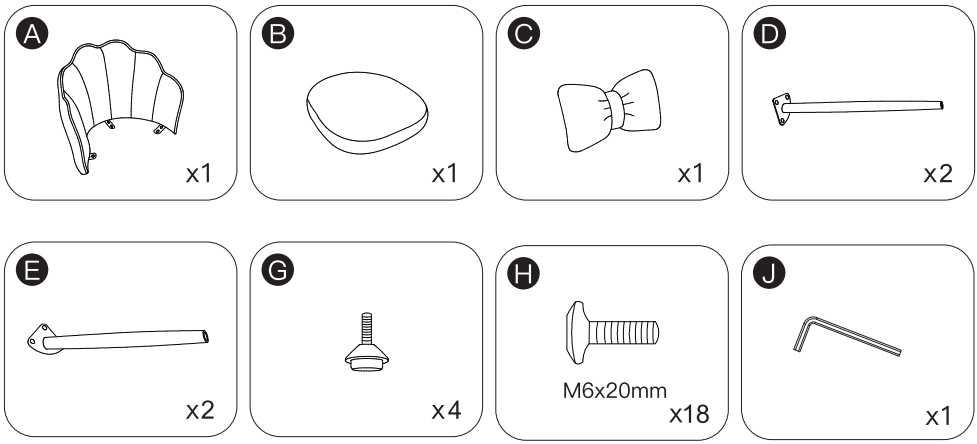

- **Do not** come into contact with corrosive substances and liquids to prevent discoloration or damage.
- **Do not** scratch it with sharp objects to avoid damaging the fabric and com–ponents.
- **Do not** stand on the product to prevent falls due to product sliding.
- **Do not** push it backward and downward violently, which may cause backward tipping and injury.
- **Do not** place it outdoors for use.
- When children use the product, it must be operated under adult supervision.

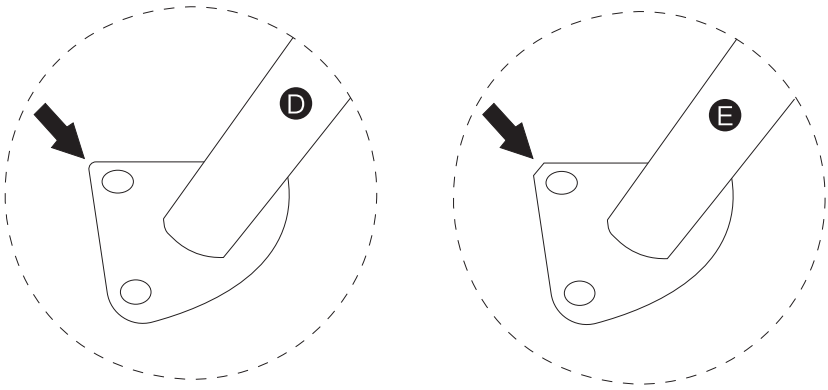

Maintenance Methods

(1) **Do not** scratch it with sharp objects to prevent damage to the mesh fabric and components.
(2) Before cleaning the product, first suck up the dust on the product surface and in the gaps, and then clean with clean water and a clean cloth (a small – scale test is required first to ensure no fading, staining or damage will be caused).
(3) The hardware accessories of the product should be regularly inspected for looseness every 1 month. If there is looseness/falling off, they should be fixed immediately.
(4) Keep away from fire sources and do not contact with acidic, alkaline chemicals and greasy substances.
(5) Avoid placing it near windows to prevent long – term dampness and direct sunlight.

Please check all parts and accessories according to the parts list before assembling, make sure all contents are sufficient and in good condition.
If there is any parts missing or defective, please contact us immediately with purchase platform message to get replacement parts.
