### Clean & Maintain

Although bamboo furniture may be resistant to water and bacterial build-up, it is not waterproof. Proper care and cleaning can be accomplished in the following simple easy steps.

- Wipe dry after using in wet environment.
- To clean use a soft cloth or sponge with mild soapy water and dry with soft clean cloth.
- Avoid contact with abrasive surfaces or steel bristle brushes and harsh chemicals.
- Any unsightly discoloration can be cleaned using a soft bristle brush, like a toothbrush, and apply slight pressure.
