Base Type: E26

Light Source Included: NO

Voltage: 120VAC

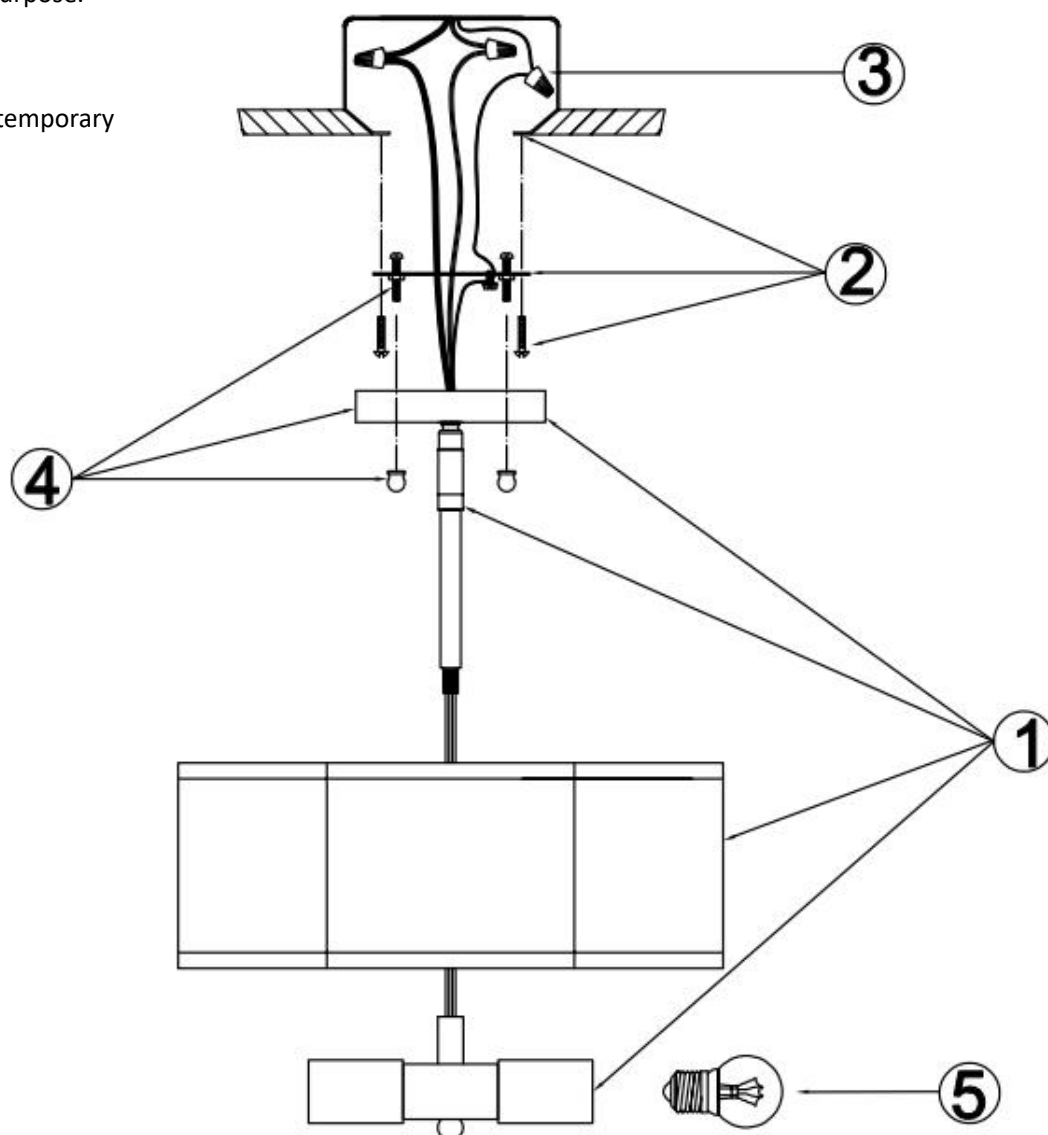

Wattage: 40W

Package includes

1 x Ceiling Light

1 x Accessories Kit

1 x User's Manual

Installation Instructions

1. Thread the main wire through the central hole of the lampshade bracket and canopy suspension rod assembly, then securely fasten the assembly to the lamp body.
2. Attach the mounting plate to the electrical junction box using supplied mounting screws.
3. Connect the inlet and outlet wires with wire nuts. (Note: Connect the black wire to the black wire (live); Connect the white wire to the white wire (neutral), and the bare copper ground wire to the ground post). Do not expose the bare wire to prevent leakage.
4. Place the canopy onto the mounting plate and tighten the cap nut to fix the canopy in place.
5. Assemble the bulbs (not included).
6. Turn on the power to check if the bulb is working properly.

Note: please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
