

Installation

Step 1: Take off the black rotating lock on the ceiling plate

Step 2 : Extend the black rotating lock into the chandelier wire.

Step 3: Connect the chandelier wire into the ceiling plate and lock the black lock.

Step 4: Remove the transparent gasket and white gasket at the lamp holder.

Step 5: Place the lamp base on top of the lampshade. Then, at the bottom of the lampshade, first place the clear rubber gasket, followed by the white plastic ring.

Step 6 : After installing the bulb (not included in the package), rotate and install the white spherical lampshade.

To correct tilt or change the angle of the pendant light
