

WELCOME TO OUR

Collection

The **Collection** transforms any backyard into an elegant outdoor dining area with its superior quality and warm, rustic charm. This collection includes a variety of dining table options offered in various shapes and sizes that cater to your desired seat quantity and size of your outdoor space. Constructed from durable aluminum frames, each piece is polished with a weather protective coating that repels moisture and UV harm.

Two chair styles are offered in this collection. The first style features breathable PVC sling fabric that is extremely durable and quick to dry. It is contoured to provide upper and lower back support as you dine in comfort and style. The second style features a plush foam seat cushion in a variety of colors for lasting comfort and style. Swivel-action rockers are available in both styles, performing a smooth, 360-degree spin and gentle rocking motion.

Designed to last, the Collection will provide an elegant, natural setting for many al fresco meals in your outdoor oasis.
