

HomeGuard LED Security Lights

A complete security floodlighting solution

The HomeGuard LED family of residential security lights are long-lasting, energy-efficient solutions for replacing incandescent PAR lamp fixtures. Mounted on the wall or under the eaves, these luminaires provide reliable safety and security lighting in residential applications.

HomeGuard LED security lights are available with the right feature sets for every application; ranging from a low-cost version for switched circuit applications to a fully featured product with an integral photocell for automatic dusk-to-dawn lighting, color-switching, lumen switching and a motion sensor. Easy to install and experience, HomeGuard LED floodlights are the best choice for contractors and DIY customers alike.
