Instructions

1. Lay table top upside down on cardboard or carpeted surface.
2. Position legs on the top and align holes in mounting plate with pre-drilled holes in the top. Use wood screws to attach the top. Use every hole in the mounting plate.
3. If table stiffener is provided, attach it in the center of the table between the table legs.
4. Holding onto the edges of the top, carefully turn the table over in the upright position.
5. Level your table by rotating the leveling glides.
6. Clean the table by remove finger prints or stains from the top and legs. Enjoy your table!
