Friendly Reminder

1. This sofa is packed in 2 boxes. Please assemble it after all boxes are received.
2. Please do not open the compressed packages until your sofa frame is completely assembled.
3. As the cushions are vacuum-compressed, please be patient and wait for the sofa to return to its fluffy state, which will take anywhere from 72 hours to a week.
4. If you notice any wrinkles, gently smooth them out with a warm iron; they will gradually disappear over time.

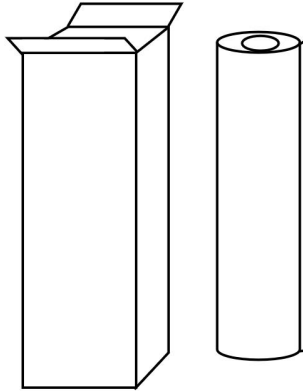

TIPS:

①

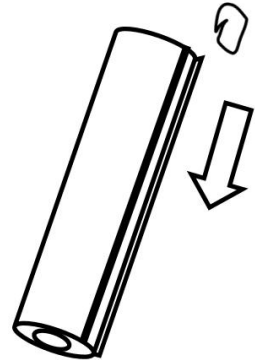

Put the package in the living room and open it with scissors. Please complete within 72 hours after receipt.

②

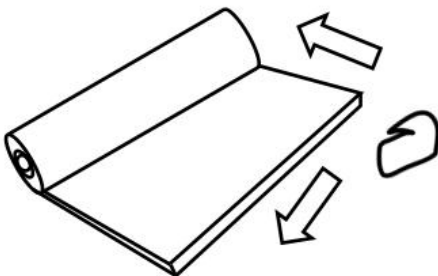

Take the sofa out of the box.

③

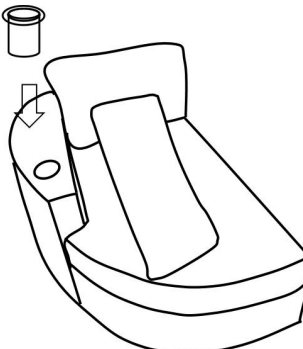

Remove the sofa from the plastic bag. Do not use knife or scissor, since they might damage your sofa.

④

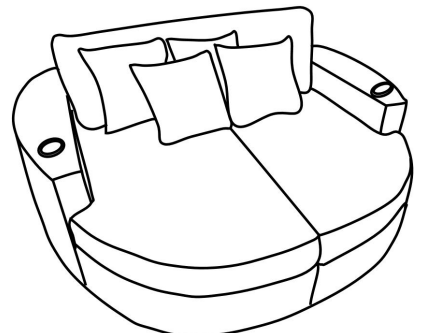

Put the sofa on the clean floor. Use the box cutter to slice along the edge of the tape.

⑤

Open it, and the compressed sofa will automatically expand to become larger. Place the storage cup in the reserved hole on the armrest.

⑥

The two sofas on both sides need to be joined together. Allow up to 72 hours for the sofa to fully return to its original shape, also let it air if there are any odors.
