Amazon Letter of Compliance:

Product Name: Sling Book Shelf - Natural w/ Blue
ASIN: B01GAOXXN4
SKU: SBS00283
Brand Name: Wildkin
Product ID: 820404002833

We have received notification from Amazon that the detail page for this product has either been removed or flagged for review. We confirm that we have provided Amazon with the necessary child safety documentation for their assessment.

We want to assure you that this product fully complies with all federal, state, and local laws, as well as all applicable Amazon Safety compliance requirements. We have provided the necessary documentation, including a Certificate of Compliance and Lab Reports, to child-safety@amazon.com and the Product Policy Compliance portal. Kindly review the attached documents and assist us in promptly resolving this case by approving this product and restoring the product detail page if applicable.

As the brand registered manufacturer, Wildkin maintains stringent adherence to high safety and quality standards. Our products undergo rigorous testing, working closely with accredited laboratories and certification bodies. We have not experienced any recalls and prioritize proactive measures to ensure product safety and customer satisfaction.

Should you require additional documentation or information on our certifications, recall status, or brand registration, please contact us. We value our relationship and remain committed to transparency and support.

Thank you for your trust in Wildkin. We look forward to your prompt attention to this matter.

Sincerely,

x _____
