Founded during a time when chivalry was at its height, the namesake village of our left-facing Knowsley Wall Sconce saw its fair share of pointed incidents. The restrained design of this fixture with its straight-as-an-arrow stem and three tailored off-white shantung shades bring it a noble personality. The oil-rubbed bronze finish on the metal will make this sconce equally at home in a handsome den as it is in an elegant boudoir. For flanking headboards or fireplaces, we offer a right and a left sconce in the Knowsley.
