

WOVEN CONCEPTS™

---

### **THE WOVEN ARTS COLLECTION**

The *Woven Arts Collection* is comprised of historic designs from the Indian Subcontinent as well as regions throughout Western Asia. The originally traditional patterns have become timeless rugs that will remain among the all-time classics. Accurate interpretation of scale of pattern, balance of color, and authenticity of texture is a result of a two-year process of deliberation, development, and creation. Meticulous design and skillful craftsmanship delineate these high quality rugs as a stand-out collection.

- Made in India
- Hand-knotted
- Approximately 120-197 hand knots per square inch
- Non-shedding, handspun and hand-knotted wool, on a natural cotton foundation
- Highest quality of natural wool that is non-shedding wool
- Imported cotton used for the foundation
- High quality dyeing process, using color-fast dyes that are non-bleeding
- Well-constructed and extremely durable for high-traffic applications
- The inherent lanolin content of the wool serves as a natural stain-repellant.
- Has a classic and traditional style
- The two-year product development process involved a deliberate and meticulous process with relation to color balance, weave concept, textural accuracy, and scale of design
- The detailed finishing process of each rug is as skillful as the fine weaving process, including hand-washing and hand-clipping the rugs once they come off loom.
