

Dinamica Espresso Machine

Model: ECAM35075SI

DeLonghi

Signature Features

Fresh Espresso For Every Cup

- The integrated burr grinder with adjustable settings grinds fresh beans every time to ensure maximum freshness. You can also use pre-ground in the second chamber – your choice of regular, specialty or decaf.

My Menu Personalization

- Store your perfect recipe and replicate it with a touch of the MY MENU button.

Easy To Clean And Handle

- The compact, extractable brew unit is not only easy to clean, it self-adjusts for one or two shots of espresso.

Every Cup Is Customized

- Easily program how you like your beverage: temperature, strength, milk-to-espresso ratio – the machine “remembers” all the details.
