PRODUCT DESCRIPTION

Outdoor solid wood patio set, includes various seating, side table and coffee table. Features a square geometric cut design with clean, sharp lines. The overall look is simple, offering a modern architectural feel that elevates the style of patios and decks.

Thickened high-density foam filling. The seat and back cushions are plump and substantial, offering excellent resilience and sinking comfort for prolonged, relaxed seating.

Modular design: single chair/loveseat + coffee table/side table, four modules are able to arrange by your needs or like.

Water-resistance cotton-blend fabric. Offers good water and stain resistance, protecting against common outdoor splashes and dampness. Easy to maintain with a simple wipe.

Heavy frame made of natural solid teak wood. High density and natural oils provide inherent rot resistance, insect resistance, and exceptional stability. The robust frame and joinery ensure superior load-bearing capacity and long-term durability.

Please make sure all hardware&packing material fitting the list.
Especially some small accessories may be missing during transportation. Please contact us if you have any question.

step 1---Cut the plastic air compression bags

Cut the plastic air compression bags, and take out the cushion (G&F). Let it recover to its original shape, the whole recovery process might take **72** hours, you may gently slap on it to speed up the process.

Use care when opening the bag to avoid injury from sudden expansion. Keep away from face and body while cutting.

Please exercise caution when opening the packaging to avoid injury or damage to the product.

step 2 ---Take out the cushion cover

Open the bag, take out the back cushion cover (J) and seat cushion cover (I).

step 3 ---Put on the cushion cover

How to Put on the Cushion Cover

1.Take the cushion covers and inner inserts out of the carton.

2.Fold the inner in half, pushing the sides together, then begin to slide the cover onto it.

3.Align both far corners, then gently compress insert while fitting cover around it.

4.To avoid a stuck zipper, please pull the fabric away from the zipper before moving forward.

5.When all done, please pat the cushion or give it a little shake to make it more flat.

step 4 ---Install the Front panel (C)

Insert Vertical Nuts (5) into the designated holes of each front panel (C) as shown. Make sure the holes are aligned with the screw holes on the sides. Use Screws (4) & Flat washer (2) and Allen Wrench (7) provided to attach the front panel (C) between Armrest (A) as shown.

step 5 ---Install the Left Armrest (B)

Use Screws (4) & Flat washer (2) and Allen Wrench (7) provided to attach the Left Armrest (B) to the Front panel (C) as shown.

First add one flat washer on each bolt as shown, use the allen wrench provided to tighten all the bolts by 30-50% first, make sure that all bolts are aligned correctly before fully tightening.

step 6 ---Install the Backrest Frame (E)

Align the Backrest Frame (E) with the holes on armrest as shown. Secure with Screws (3)& flat wahser (2) on both sides and tighten firmly as shown.

step 7---Install the Seat frame bar (D)

Align the Seat Frame Bars (D) with the designated holes on both the Left and Right Armrests as shown. Place one washer (2) on each bolt (1), then use the provided allen wrench (7) to tighten all bolts (1).

First add one flat washer on each bolt as shown, use the allen wrench provided to tighten all the bolts by 30-50% first, make sure that all bolts are aligned correctly before fully tightening.

step 8 ---Install the Plastic Caps (6)

Cover each screw hole with Plastic Caps (6). Press down firmly until flush with the surface.

step 9 ---Place the seat &back cushion

Place the Seat Cushion (G) with the tag side up. Place the Back Cushion (F) against the backrest with the tag facing front as shown.

step 10 ---Assemble complete

Congradulations! You have finished the assembly, thank you again for choosing our product! Please enjoy!
