

# Remember Display, Urn Stand 800178

---

Finished in Williamsburg on select hardwoods and veneers.

The hutch features 200 "framed corner" magnets to display photos and letters, four removable metal display panels, and an interior light.

The two hutch doors feature decorative carved overlays.

The lower desk features a center storage compartment with a hinged front door and a display shelf for added storage.

The lower desk also features carved decorative overlays and tapered legs.

Adjustable levelers under each corner provide stability on uneven and carpeted floors.
