Guarantee

The goods

IMPORTANT

1. Do not tighten bolts / screws completely until all bolts / screws are lined up and inserted into holes.
2. Do not over-tighten screws and bolts to avoid stripping.
3. Please use hand tools to assemble this product.

Step 1

Let's get started!

Assemble the vertical supports as shown in the picture below by joining parts (E), (F), and (G) together and parts (B), (C), and (D) together. Then, follow these steps.

Slide the Spring Washers (2) and Flat Washers (3) onto the $\text{Ø}1/4" \times 35\text{mm}$ Bolts (1) then use an Allen Key (4) to tighten each bolt in place.

Step 2

Secure the Shelf Panel (A) to the Bottom Vertical Support after first sliding the Spring Washers (2) and Flat Washers (3) onto the $\text{Ø } \frac{1}{4}" \times 35\text{mm}$ Bolts (1) then finally tightening the bolt with an Allen Key (4).

Do NOT over-tighten hardware.
Tighten only to 90% for now.

Step 3

Repeat that process the other five Shelf Panels (A).

Do NOT over-tighten hardware.
Tighten only to 90% for now.

Step 4

Time to attach the other vertical support to the shelf panels! You're a pro by now!

Do NOT over-tighten hardware.
Tighten only to 90% for now.

How to Use Drywall Anchors

1. Drill a 5/16 hole.

2. Pinch and insert.

3. Begin tightening.

4. Anchor is secure when screw is tightened to 100%.

Step 5

Time to figure out where this will go!

From the floor, measure 308mm up the wall and mark your first hole. Next, measure 338mm up from that mark and make another mark. Repeat this process four more times.

Next, depending on your wall type, use a 1/4" or 5/16" drill bit to drill 6 holes before finally inserting the proper wall anchor into each hole.

IMPORTANT NOTE:

Non-Drywall Anchor (5) requires 1/4" Drill Bit
Drywall Anchor (6) requires 5/16" Drill Bit

Step 6

Last but not least, grab a friend and carefully flip the bookshelf upright. Align the bookshelf with the Wall Anchors, then secure it in place using the M4 x 60mm Screws (7).

Step 7

Tighten all of the bolts to 100%.

Step 8

Wobbly or uneven? Adjust the bookshelf feet until stable so your precious decor won't slide off!

Wobbly or uneven
Adjust the feet until stable

Replacement

You

We really don't want you to go through the hassle of re-packaging your item
and sending it back, because let's be honest...nobody has time for that.

Safety first, fun later

We want your product to last as long as possible, so we recommend that you tighten the screws 2 weeks after assembly and for added safety, check the tightness of all screws every 2 months.

For proper care and treatment, please check our website at NathanJames.com/products

Safe use of this product starts with you.

Use this product responsibly with the primary concern for your safety. Follow assembly instructions carefully and inspect product upon receipt and each use.

Nathan James and its parent companies cannot be held legally responsible for any injuries or death resulting from failure to follow instructions or improper use of this product.

Do not modify the structure of this product in any way.

Our products have been tested to meet specific safety measures as they were originally intended to be sold. Any modifications will present the risk of creating significant safety issues which NJ will not be responsible for.

Proper use

DO NOT	use for commercial purposes
DO NOT	frolic on bookshelf
DO NOT	use bookshelf as foot stool
DO NOT	leave spilled liquid on shelves
DO NOT	use if bookshelf is damaged
DO NOT	make temporary repairs
DO NOT	use outdoors

We are only in business if you're happy

For starters, thanks for being you.
