

Installation steps:

1.Pass the fixture wires and ground wire through the downrod, then thread the downrod onto the fixture body and tighten securely.

2. Pass the power cord through the gasket and lamp shade, then use the hook to tighten it.

3. Install the suspension rod on the lamp body according to the diagram.

4. Attach the Mounting Bracket to the outlet box by using two mounting screws.

5. Connect the wires by using the wire caps as follows:
Connect the fixture's LIVE wire to the home LIVE (BLACK) wire.
Connect the fixture's NEUTRAL wire to the home NEUTRAL (WHITE) wire.
Connect the fixture's ground wire to the home ground wire. Secure the fixture's ground wire to the mounting bracket with the green grounding screw. Then, tuck all wires into the junction box. Note: make sure no bare wires are exposed to prevent electric leakage.

6. Secure the ceiling canopy to the mounting bracket with the knurled nuts.

7. Insert the bulb into the holder(not included)

8. Screw all the crystal bouquet into the reserved tooth hole of the lamp body

9. Use scissors to cut the tie, let the crystal flower natural spread.

Attention:

1. Please cut off the power supply before installation to prevent electric shock (installation by certified electrician is recommended)

2. Due to the different display, the actual color can be different from the image

3. Due to the manual measurement of lamp body size, there may be a deviation of 1 / 2 inch

4. If you have any questions or lost parts, please feel free to contact us and we will try our best to help you
