Before Installation

Important-Please read these instructions fully before starting the assembly

Thank you for purchasing this quality product. Be sure to check all packing materials carefully for small parts, which may have come loose inside the carton during shipment. Identify and count all items according to the PARTS LIST and/or HARDWARE LIST shown below. Check you have all the components and tools listed on the following pages.

- We recommend that you assemble this product with the assistance of another person; this will make the assembly easier, and will help eliminate damage to the product or injury to persons during assembly.
- Please do not over tighten screws or bolts until the assembly is completed.
- Keep children and animal away from the work area, small parts could choke if swallowed.

Please put all parts on a non-abrasive floor before assembly, and follow the assembly steps to assemble your newly purchased product correctly and efficiently.

Parts List

No.	Sketch	Qty
A		1
B		1
C		1
D		1
E	 (Horizontal screw hole)	2
F	 (Vertical screw hole)	2
G		1

Hardware List

No.	Sketch	Qty
①		8
②		8
③		4
④		24
⑤		16
⑥		12
⑦		1
⑧		1

Step 1:

Step 2:

- Tighten the screws in order, place the washers, and then use a wrench to tighten the bottom small nut.

Step 3:

- Align the “D” regulator with the screw hole and place it down, then sequentially place the “5 ④”, align the three tabletops, and tighten the small nut “④” .

Step 4:

- Two table legs “E”, installed on both upper and lower sides. Two table legs “F”, installed on the left and right sides.
- Tighten the screws to secure the table legs, but do not tighten them yet.

Step 5:

- Place the connector in the middle of the four table legs, tighten the screws to secure it, do not tighten it.

- After adjusting the positions of the four table legs, tighten the screws of the table legs, and finally tighten the screws of the connecting parts.

Step 6:

- If the desktop is uneven, you can adjust this “③” large nut until the desktop is flat.
